# ULTIM8<sup>®</sup> PANAWALL<sup>™</sup>

## Lightweight Decorated Wall and Tile Panels

ULTIM8 PANAWALL is a lightweight, durable, water resistant panel suitable for domestic or commercial use in frequently wet indoor environments, such as kitchen splashbacks, shower recesses, bathrooms and hallways.

These panels are highly suitable for commercial project environments such as food preparation and handling areas, healthcare wall linings, hospitality, sports centres and retail fit-outs.

### SHEET DIMENSIONS

- 2400 x 1200 x 7.6mm
- 3000 x 1200 x 7.6mm

### AVAILABLE PATTERNS

- Subway Tile Design
- Large Grid Tile Design
- Marseille Stripe Design
- Plain Faced Panel (optional)
- Custom Design (MOQs Apply)

# EFFICIENT CONTEMPORARY WALLING SOLUTIONS

ULTIM8 PANAWALL is perfect for new project builds or reviving tired spaces, providing a contemporary design aesthetic. The range consists of a choice of Subway Tile, Grid Tile and Marseille Stripe designs. ULTIM8 PANAWALL also offers Plain Faced surfaces without pattern designs, allowing for greater design flexibility and function. ULTIM8 Panawall can be customised to your own colours, finishes, pattern designs and sizes, subject to MOQs per colour, per design.

Covered by a 7-year Limited Product Warranty\*, this robust multipurpose wall solution is suited to a variety of demanding applications, offering greater efficiency in delivering impactful design.

ULTIM8 PANAWALL surfaces are ideal for the DIY renovator as well as the professional builder, providing a more economical alternative to traditional ceramic tiles and decorative panels.

ULTIM8 PANAWALL has been developed to easily cut, router and install on site. Seal all vertical or horizontal joints and edges with commercially available bathroom grade flexible silicone or resin (coloured or clear). This will prevent water penetrating into the walls and floors.

Install directly onto flat walls pre-sealed with a water proof skin or coating. ULTIM8 PANAWALL can be installed using commercially available profiles or butt-jointed in the same manner as tile installation.

\*  
Terms and Conditions Apply. For full details, see the Limited Product Warranty on [www.ultim8materials.com](http://www.ultim8materials.com).
