

Miss Gay Louisiana America Pageant 2026

Pageant Weekend Logistics

Enclosed are the finalized lineups for both the Revue Show and the Pageant so everyone can be prepared with what to pack, how much time you'll have to change, and other important logistics.

Everything was taken into account based on the online form you submitted indicating what you were interested in participating in. As someone who doesn't like to rush, I tried to ensure everyone has ample time for costume changes and preparation.

Everything will run much like it did last year. Most of the information in the [Contestant Information](#) section of our website, including the schedule, is relevant to everyone. Please review it and see the additional information below that applies to both the Revue Show and Pageant Night.

One of the awesome features of hosting our event at Splash is the incredible digital capabilities they offer. While these features add a few extra layers of complexity, you're all made of *excellence*, and everyone did a great job last year following instructions and submitting materials (for the most part 😊).

Digital Side Walls

During each performance, your name will be displayed on the digital side walls.

- We are using the same template designed for our event that we used last year.
- Each of you has a separate file featuring your name and QR code (if you provided one last year).

Digital Stage Wall

If you would like to incorporate video into your performance:

- Dimensions: **1920 × 1080 pixels**
- Format: **MP4 (not .mov)**

If you are only submitting music:

- Format: **MP3 or MP4**

If you will not be using video:

- You may provide a custom background image.
- Dimensions: **1920 × 1080 pixels**
- Format: **PNG**

If you do not plan to provide anything for the digital stage wall, a standard MGLA background has been created to match this year's theme. It's also enclosed for you to see.

- Your name can be added to the background if you'd like.
- Last year I created one for everyone just in case, and I believe only one person ended up using it.
- I also seem to recall Josalyn offering her services in this area.

Please let me know if you'd like this year's MGLA background with your name added for the stage. I'm more than happy to do it, but if you don't need it, I certainly have plenty of other things to keep me busy.

File Submission

Please submit **all files for both the Revue Show and Pageant** (music files, video files, and/or background images) through the Dropbox link below **no later than Wednesday, August 12:**

<https://www.dropbox.com/request/551bjxkz0sykugkm7wi0>

File names can be labeled however you'd like, as long as they include:

- Your name
- Revue Show or Pageant
- Song title

This helps me identify files quickly and lets me notify anyone if there are duplicate song selections.

No need to let me know once you've submitted your files. I get an email each time. Also, I promise that if I don't see all your items when I review everything Thursday morning, I'll reach out to you.

Dressing Rooms

Revue Show

- Everyone will use the downstairs dressing room.
- Due to limited space, we ask that you please paint your mug at the hotel or wherever you're staying.

Revue Show Schedule:

- Venue access for entertainers and staff: **6:00 PM**
- Doors open: **7:00 PM**
- Show begins: **8:00 PM**
- Show must conclude by: **10:00 PM**

Pageant Night

The entire upstairs area will serve as the contestant dressing space.

- Tracy and Britney will also have a special designated area upstairs with the contestants.
- Again, due to limited space in the downstairs dressing room, we ask that you paint before arriving.
- However, there is plenty of room upstairs if you'd prefer to do your makeup onsite. If so, you will need to bring a lighted makeup mirror.

Pageant Schedule:

- Venue access for contestants, entertainers, and staff: **5:00 PM**
- Doors open: **6:00 PM**
- Pageant begins: **7:00 PM**
- Event must conclude by **midnight** in accordance with Baton Rouge law.

Miss Gay Louisiana America Pageant 2026

Important Reminder

Because both nights will be live-streamed, **we must start on time each evening.**

I'm looking forward to another successful pageant weekend. It's always a family reunion for us!

With much love and respect,

Raquel
