

Rick Denley is a Courageous Leader

He has been the innovative growth leader of three fortune companies. He is recognized for his unique hyper growth leadership coaching style driving change, which he shares in his best selling book *Reinvent Yourself*.

Today, Rick continues pursuing his passion of developing innovative leaders by assisting them in understanding how to lead individuals and teams through today's challenges, punching through growth barriers, while reaching their peak performance.

Always looking to help others, Rick's philanthropy efforts come from literally stepping in the ring as an undefeated amateur boxer, raising funds and awareness for cancer research.

Rick is regarded as a top authority on CHANGE & GROWTH LEADERSHIP.

Rick is a proud Torontonian, father of two adult sons Evan and Max. He has a slightly odd passion for challenging his mind and body in difficult sporting events.

Event attendees, please welcome to the stage Rick Denley!
