

From playing Van's Warped Tour to an appearance on AZTV and radio stations such as Alt AZ 93.3, then on to playing venues, such as the infamous Whisky A Go Go, Promise to Myself brings a fun and creative energy to their sound. This 4-piece, alternative pop rock band was home-grown in Phoenix, Arizona. In 2018 they released their first 5-song EP, entitled "One For The Runaways". PTM shows no signs of stopping!
