- Invite the unchurched to "Come and See Jesus
- Commit ourselves to discipleship through bible
study, worship, prayer, Christlike servanthood
and fellowship;
- Open ourselves to the Holy Spirit's leading, so
that whatever we do, we do in Jesus' name

Giving Thanks For The Little Things

A world-famous painter was diagnosed with a serious eye disease and was sure to lose his sight. He went to a local eye doctor out of desperation. After giving it some thought, the eye doctor was able to reverse the disease and cure the man. In gratitude, the painter went to work painting a large rendition of a human eyeball on the wall of the doctor's waiting room. Three weeks later, the local press came to cover the unveiling. At a given time, a curtain was dropped, and there it was - a perfect rendering that took up the entire wall. It was stunning in its perfection. Every detail was there, from the iris to the little red veins. Afterwards, a reporter asked the optometrist his thoughts: "It's very nice," he said. "Thank goodness I'm not a proctologist!"

It's so easy to get caught up in the "big" issues of life that we often forget to take the time to give thanks for all the little things, the everyday blessings that God gives us. Things like sipping a good cup of coffee while watching the sunrise in the morning, the smile and embrace of a small child, the company of a loyal pet close by, or not having a large, you-know-what, painted on your waiting room wall!

Life is short, and if we're not careful, we can miss out on all the important moments, the little blessings, worrying about the "big" stuff. God fills each day with wonderful little blessings meant to brighten our day and remind us of His love. "Lord, help us to take the time to notice all the little blessings You send our way and give You thanks."

I will give thanks to you, Lord, with all my heart; I will tell of all your wonderful deeds. Psalm 9:1
