The Mission Of St. Paul's Lutheran Church

Share the Good News of Jesus Christ and to make disciples of all nations.

therefore, with God's help, we will:

Proclaim Christ in word and deed;

Invite the unchurched to "Come and See Jesus";

Commit ourselves to discipleship through Bible study, worship, prayer, Christ-like servanthood and fellowship;

Open ourselves to the Holy Spirit's leading, so that whatever we do, we do in Jesus' name.

Amen

Happy Birthday to...

Rhett Jenson- 4/15

Vera Pruettt- 4/30

I am working on a new church directory. I will be available to take family pictures each Wednesday Night during Lent. If you would rather use a family photo you already have please email it to me. If Wednesday nights won't work let me know and we will work something out. I am working on a list of contact information that will include everyone's name, address, phone number, birthday and anniversary to go with their picture. If you would like to see anything else in this directory please feel free to let me know. I will be making this book myself which allows me to put it together any way we would like. When the book is done I will have a rough draft to approve before they are sent to the printer. We are well overdue for a new directory. I look forward to putting this together for everyone to enjoy. Thanks Emily

The confirmation kids will be on cleanup duty. The Easter Brunch will be a Free Will Offering and the money collected will go into a Youth Event Fund to be used for fun outings ... bowling, going to the movies etc. We will be having an Easter egg hunt during the brunch. The Underwood High School Girls soccer team is having a Easter Egg fund raiser. They will come out to the church and hide all the eggs (they will be filled with candy & surprises.) We hope to see you there!

The council was approached by the City of Neola to help with another portion of their park beautification plan. They decided to build a pergola (shade structure) and plant some perennials. The plan is to build the structure and plant flowers this month. If you would like to participate in this community project please reach out to a council member. There will be more information in the refrigerator page as well as on our facebook page and website.

“For I delivered to you as of first importance what I also received: that Christ died for our sins in accordance with the Scriptures, that he was buried, that he was raised on the third day in accordance with the Scriptures...” (Paul – 1 Corinthians 15:3-4)

I don't talk much on Wednesday night devotions. I think the songs and the prayers and the kids reading and the Matthew videos are so powerful that my words would only detract and confuse. Paul had a lot to say and it's interesting to me that he waited until chapter 15 of his letter to the Corinthians to pass on the most important lesson "... Christ died, buried and raised on the third day ... as the Scriptures say..." Matthew's story is going in that direction.

In our time in this world we like to focus on resilience – the ability to bounce back. It's not that winners never lose but rather that when they lose they figure out how to get up and give it another and hopefully better try. "I get knocked down – But I get up again" (Chumbawumba) It's always more important to get up one more time when you get knocked down. Such is the wisdom of the world.

Jesus is not resilient – He **DIES** confident that his Father's love and faithfulness will raise him on the third day. And it does to the Glory of God! We have sad weeks ahead that should appropriately be grieved. And we have days of victory ahead that should be welcomed with a Cry of triumph. **THE LORD IS RISEN INDEED! HALLELUJAH!**

At St. Paul's we are moving forward. And we believe that God is raising up someone who will serve as pastor and bring blessings for many years to our community. In the meantime grieve the things that are gone and are going that we will certainly miss even when we appreciated them. Then build a vision and a future that is consistent with that vision. Take small steps but always in the right direction. Worship is our current point of contact. Be sure to be part of the worshiping community now so that we all may participate in the fruitful future that God has in mind as He, in His love and faithfulness, keeps raising us from the dead. Not resilient – but redeemed and resurrected.

“The Church of Christ in every age, beset by change but Spirit led, Must claim and test its heritage and keep on rising from the dead.”

See you at worship this week!
