Dear Aaren,

Please accept this as my sincere thanks for the support you've given to the St. Louis Fire Department Foundation over the past 2 years. Your organizational skills, creativity, and ability to skillfully manage a large event has enabled the Foundation to grow substantially.

Because of the work you've done, we've been able to reach new heights in both awareness and fundraising for the St. Louis Fire Department Foundation, which directly benefits the men and women who, as Firefighters and EMS teams, put their own lives on the line each day to protect ours.

Thank you so much for your commitment to our organization. We couldn't have done it without you and your wonderful team!

Sincerely,

Laura Keller
Executive Director
