## SKIN THERAPY SERVICE MENU

### MILLION DOLLAR FACIAL

£130

A luxurious facial where science meets indulgence.

Working your skin from the outside in, this treatment has been designed to deeply exfoliate dead skin cells and remove non terminal hair, polish the skin, flush toxins, increase and stimulate our natural collagen and cell turnover. This method heavily increase the absorption of any active ingredients by 80% as opposed to 8%, this is why we use a hyaluronic acid mask for maximum results.

It is the epitome of luxury with MILLION DOLLAR© results.

### MICRO-NEEDLING FACIAL

£80

This advanced skin treatment uses a 12 point metal needle cartridge causing micro-trauma to the epidermis to rejuvenate the skin. Advanced cellular skincare is used to actively penetrate the deeper layers of the epidermal Junction, removing dead skin cells, stimulate collagen, promote cell regeneration, increase the growth of keratinocytes and protect the skin from transepidermal water loss, resulting in enhanced skin hydration, tighter, brighter and glowing skin!

### MESO THERAPY & LIGHT LED FACIAL

£95

A cell boost concept that helps to improve the skins appearance by using medically approved skin stimulates pushed deep into the cells metabolism which contributes to their regeneration. You can see immediate results after just one session when used on fine lines and wrinkles. This treatment is a gentle skin needling combined with specific light LED wavelengths for skin rejuvenation.

### DELUXE DERMAPLANING FACIAL

£45

Dermaplaning is removing epidermal skin allowing products to penetrate more readily into the deeper layers. The facials consist of a deep cleanse prior to the treatment to help remove impurities and prepare the skin. The upper layers of the epidermis with a specially designed sterilized blade to abrade the surface of the skin removing dead keratinized cells and fine vellus hairs (peach fuzz) which trap oils and dirt on the skin which leads to blocked pores, spots & cakey make up.

### CHEMICAL PEEL FACIAL

£70

Chemical skin peels target specific skin problems, helping to improve your skin concerns, confidence and self esteem. Our potent peels include: Glycolic Acid, Salicylic Acid, Lactic Acid, Phytic Acid, Kojic Acid, Mandelic Acid and Arbutin. These ingredients can help to specifically target different skin concerns.
