

# Simon's Lawn Care & Tree Service

*Be The Envy of the Neighborhood!*

Dear Homeowner:

For over 10 years, Nick Simon has been dedicated and involved in the turf grass industry. If you intend to use a professional lawn care service this year, you deserve **the best service available!** Simon's Lawn Care provides the best value available in lawn care today! Ask how? We use all dry fertilizers which allow for a slower release into the soil, and liquid broadleaf control for better coverage on those unwanted weeds.

## ***Allow Us To Earn Your Business!***

### ***Silver Lawn Care Program 4 Step***

#### **SPRING VISIT**

Season-long crabgrass control and the right amount of fertilizer to keep your lawn green and healthy.

#### **EARLY SUMMER VISIT**

Broadleaf weed control to ensure all weeds are managed before they go to seed.

#### **SUMMER VISIT**

Fertilizer application that will maintain the thickness of the grass under the harshest summer conditions.

#### **EARLY FALL VISIT**

Broadleaf control for the weeds that establish in the late spring and early summer heat.

### ***Gold Lawn Care Program 5 Step***

#### **SPRING VISIT**
