

the *Carlyle*

*A 2-story Early American design in the grand manner, with a center ball foyer, living room of unusual size, an enormous first floor family room with fireplace and heavy beamed ceiling plus elaborate custom cabinetry. Large ranch kitchen with exposed brick, breakfast room bay. First floor powder room for added convenience. Upstairs: 4 king-size bedrooms with a most impressive master suite that includes a private sitting room and dressing room. Two full baths, large wardrobe closets. Downstairs, basement with plenty of storage space. Attached garage and air conditioning included. A remarkable house for big family living.*
