Doodle AllTheWay requires a spay/neuter contract to any miniature goldendoodle sold from our program.

The Breeder (Doodle AllTheWay) must receive proof of the spay/neuter procedure having been performed no later than 12 months of age on male and/or female dogs purchased from Doodle AllTheWay. **Proof must be received within fourteen (14) days after completion of the surgery. This notice can be in the form of a Certificate of Spay/Neuter or an invoice from the veterinarian showing the procedure has been completed.** In the event the dog's health does not allow this agreement to be honored, Doodle AllTheWay must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of this dog, the Buyer will contact the veterinarian and establish the earliest date the procedure can be performed. The Buyer will notify Doodle AllTheWay of this amendment in writing, at which time all other conditions of this contract will apply and be forced.

It is the responsibility of the Buyer, not the veterinarian, to ensure that Doodle AllTheWay has received verification that the surgery has been performed. Failure to comply with this contract by the date below, unless otherwise agreed to in writing, will be considered a breach of the Contract. The Seller has the right to take back the puppy if contract of spay/neuter has been breached. In addition, it will result in the Health Guarantee being null and void.

By signing below, I the Buyer agree to have this dog spayed/neutered by no later than **12 months of age**, and I understand that this contract is an agreement that this dog will not produce a litter of puppies either as purposely bred or by accidental breeding. If a pregnancy occurs whether purposely or accidentally, the Buyer agrees to forfeit all rights obtaining the puppy you have received from Doodle AllTheWay.
