# SAILING INTO SUMMER

There's no one better than our trunk keepers at creating a closet that takes you from the first long weekend of summer through fireworks on the 4th. In this edition, three rising stars from our Trunk Keeper community kick off how to style your season—all from our newest collection of iconic summer looks. (We'll let them take it from here.) KENDRA J.

*“Becoming a Trunk Keeper has allowed me to have an outlet to help support my family while still working around my children’s very busy schedules. At Good Hart I am not only “mom”, I’m also helping women feel confident and stylish every day.”*

NICOLE K.

*“The relationships you build as a trunk keeper are the best! I now have customers and sister trunk keepers all over the country whom I’m proud to call some of my best friends.”*

LISHA P.

*“As a Trunk Keeper, I have really been able to let my creativity shine. I love meeting new people and bringing them so much joy from our clothes! It has been such a rewarding experience.”*
