

# THE RACE: A HELL Ranger Thriller

Gina Fava

As an F1 racing champion, Devlin "Lucky" Lucchesi has settled into a happy existence with his wife and son, and his alter ego as a covert special op HELL Ranger feels far away. That is, until a terror attack decimates Rome's train station, and rips Lucky's life apart. To blame is Ishmael Zaid, an elusive terrorist from Devlin's past. Devlin vows revenge. He teams with his blood-brother Lupo, the sexy BBC reporter Ana Malia, and his HELL Ranger crew to battle Ishmael's "Race" of Islamic extremist followers and to diffuse a dozen more bombs set to wipe the Eternal City off the map by midnight. The stakes skyrocket when Ishmael kidnaps his young son, Marcello. When Ishmael violates the sanctity of the Vatican, robbing one of its ancient relics to employ as an audacious symbol of war on mankind, Devlin and Ishmael collide in a showdown that will ultimately determine the fate of the world.
