Microplastics Statement

Product: 906-3002 Oat Flour Superfine (SF)

Ingredient Nomenclature: *Avena sativa* (Oat) Kernel Flour

This document is provided by Ceapro Inc., based on information supplied by the manufacturer of **Oat Flour Superfine (SF)**. Ceapro Inc. has not independently verified this information, and all technical, regulatory, and performance statements remain the manufacturer's responsibility.

The ingredient supplied is derived from food-grade oats and does not intentionally contain, consist of, or have added synthetic polymer microplastics.

Regulation (EU) 2023/2055 targets the intentional use of synthetic polymer microplastics in products placed on the market. Our manufacturer has confirmed that its food-grade oat ingredient does not intentionally contain or add microplastics. Accordingly, to the best of our knowledge and based on information provided by the manufacturer, Oat Flour Superfine (SF) is not intentionally formulated with microplastics.

Yours sincerely,

Emily Wong
Quality Manager,
Ceapro Inc., a subsidiary of COSCIENS Biopharma
