This document is provided by Ceapro Inc., based on information supplied by the manufacturer of **Oat Flour Superfine (SF)**. Ceapro Inc. has not independently verified this information, and all technical, regulatory, and performance statements remain the manufacturer's responsibility.

Veganism is the practice of abstaining from the use of animal products, particularly in diet, as well as following an associated philosophy that rejects the commodity status of sentient animals.

All inputs used in the production of Oat Ingredients are free of animal products or animal by-products and qualify as vegan products.

Furthermore, our products do not contain, make use of, or involve, at any point of their manufacturing processes, raw materials of animal origin, including animal proteins. Products of animal origin, including animal proteins, are not stored in any facility or warehouses.

No animals are used for any testing of our products.

Yours sincerely,

Emily Wong
