

OAT FLOUR SUPERFINE (SF)

Comfort, protection, and balance—naturally.

ECOCERT NATURAL REGISTRATION

Gentle enough for daily use. Backed by nature and science.

Rooted in both tradition and modern science, oatmeal is recognized for its ability to help maintain skin's natural balance, buffer pH, and provide comforting, daily support. Ceapro's Oat Flour is an ultra-fine, highly dispersible powder that blends smoothly into water-based formulations to form a soft, comforting layer on the skin, reinforcing the skin's moisture barrier and providing gentle relief from everyday dryness and sensitivity.

USP

Available in USP and Food grade

pH 3–8

broad formulating latitude in water-based systems

2 YEARS

shelf life unopened, no special handling

WHY IT SELLS

Soothes on contact

Calms sensitive, reactive skin while helping restore natural pH balance and everyday comfort.

Anti-itch & anti-inflammatory

Gentle, non-irritating relief from everyday dryness, itching, and inflammation—suitable for daily use.

Clean-label & global

GMO-, allergen-, fragrance- & gluten-free, ECOCERT-approved raw material, China compliant. Every box a buyer needs ticked.

Naturally multi-functional

Oat's own β -glucans, lipids, and polyphenols combine for film-forming, barrier support, and antioxidant benefits in one powder.
