

Welcome to MOMnation!! Because these days it takes more than a village...it takes a nation 

There are tons of MOM's in the group that offer a variety of products and services. The best part about using another MOM's services or purchasing their products is that YOU are helping to support another FAMILY instead of supporting those families that no longer need support like Sam Walton's family. Let's build each other up by helping each other grow and prosper. It's a win/win. There is a 'MOMapproved Local Businesses' list on the website and there is a list of exclusive discounts offered to our group members in the facebook group files.

We encourage all members to support the businesses of our MOMboss members but please remember MOMnation or its staff, governing board and founders are not in any way responsible for any purchase of goods or services between our members.

Please do not PM members or add them to any groups unless they have requested you PM them regarding any assistance or referrals.

NO pet rehoming, please!

We've attracted a few phenomenal ladies that have taken it upon their fine selves to offer a variety of events from play dates / craft dates with the kiddos, to MOM's night out, to classes and workshops where anyone can gain skill or some new knowledge. Just check out the events page for your state and RSVP to whatever speaks to you!

At events, BYOB means bring your own. Do not drink someone else's drinks without asking.

NO refunds on tickets for any event for any reason.
