Cold & Flu Season is upon us...

Please keep your dancer home if they are sick. The studio requires 24-hour fever/symptom free before returning to class. Encourage your dancer to use the hand sanitizer outside of each studio before and after class to help in the prevention of spreading germs. Healthy dancers are HAPPY dancers!

If the studio should need to close due to weather, we will post on Facebook. We will also send a text message and or e-mail. Please make sure your information is up to date. Wet Shoes & Boots

The elements of weather are bad for our dancers' shoes, feet, and health. Therefore, we ask that you respect the following requests:

DANCERS... All shoes, boots, etc... are to be taken off and left in the shoe cubbies. Please label your street shoes as well as your dance shoes so they do not get misplaced.

PARENTS... Please be courteous to our dancers on those rainy muddy, and snowy days. We kindly ask that you remove your shoes at the door. You are welcome to bring in slippers to wear while observing.
