With Thanksgiving right around the corner, we wanted to take some time to show our gratitude for the things in life that bring us joy year-round. **Our incredible dance parents at Center Stage are at the top of the list for MANY reasons.**

CSDS parents are rockstars! They truly make it happen. Our parents get our dancers where they need to be. They take time out of their day to make sure our dancers arrive to class on time and have everything they need to excel.

The most incredible part about our dance parents, the part that fills our hearts, is your unwavering support for your dancer. Giving a child the opportunity to pursue the thing that lights them up inside is possibly the greatest gift a parent can give. It goes far beyond just driving a child to dance! Take note of your dancer's reaction, when you peak your head in at the last 5 minutes of class with a smile on your face.

You support your dancer in following their passion. For that, we are so grateful, and we know they are too. **YOU** certainly have our gratitude. **Thank you, parents, YOU are amazing.**

Parents we will be celebrating YOU this Thanksgiving season Nov. 16th – 21st. Be sure to stop in for your THANKFUL popcorn.

We are wishing all of our CSDS dance families are a very happy Thanksgiving!

Cold & Flu Season

Please keep your dancer home if they are sick. The studio requires 24-hour fever/symptom free before returning to class. Encourage your dancer to use the hand sanitizer outside of each studio before and after class to help in the prevention of spreading germs.

Healthy dancers are HAPPY dancers!

Companion Cats & Kitten Connection Community Service project

CSDS Nation, we delivered the 538 items our dancers collect for Companion Cats and Kitten Connection. The director for these organizations was so very appreciative of our donations! If you are looking for a loving companion, be sure to check out Companion Cats! So many sweet girl and boy cats looking for there forever home. ❤️. If a cat is not in your future think about making the occasional donation of canned food for these sweet animals. They are in dire need of canned food. Our cat bucket will remain at the front office all year for you to put your donation in or take a visit to Companion Cats and drop off canned food yourself.

Again, thank you dancers and parents for making this food drive so successful! I'm so very proud of the compassion & commitment our dancers have for helping in their community. ❤️💜

Attention All Acrobat Dancers

All Acrobat dancers need to wear proper attire to class. **Street clothes are not allowed.** This is for both the safety of the dancer as well as for the teacher spotting. Loose clothing can slip and cause unintentional injury. If you need help getting your dancer the things, he/she needs, stop by the CSDS Dance Closet to be fitted today.
