WYBT Family,

We are so thankful for the support we have received from you all since our start back in August. We are grateful to be able to provide youth bowlers with the opportunity to improve their game and create memories that last a lifetime.

To celebrate the success of our members and provide important tour updates we are starting a monthly newsletter. In these newsletters you can expect to read about the results of our last tournament, be informed about important tour updates regarding future events, and hear about whats new with college bowling!

WYBT #3 Recap:

Handicap: Anthony Swanson

Anthony Swanson would make you believe he is actually Anthony Simonsen with his performance at the third WYBT event of the season. The young two-handed righty put up great scratch games including 169, 180, and 167 to qualify in the #1 position for the championship match. Competitor Lauren Schaefer gave Swanson a run for his money during qualifying, shooting a scratch 188 game (and high scratch game of the day for the division) late in the day to lock in her spot in the final. Swanson, with a handicap of 43 pins, was able to edge out Schaefer, with a handicap of 64 pins, to win 383-358. This was Swanson's first WYBT title after many close attempts.

Boys Scratch: Zakarey Geer

Geer came in as the #12 seed only a few pins above the cut number. He then clawed his way through matches against the 5th, 4th, and 1st seeds to play UWW teammate Matt Braun in the final. Geer started with a 223-156 lead after game 1 and never looked back for his first WYBT title.

Girls Scratch: Samantha Knab

Knab qualified first with a resounding 47 pin lead over second and 129 pin lead over the cut number. She easily dispatched #4 seed Monica Darrow with a 385-302 victory to move onto the final. #3 seed Stephanie Zagar started the championship match with a healthy 206-183 advantage, but Knab was able to throw a second consecutive 183 game to win 366-335 for her first WYBT title.

TOUR NEWS

- WYBT tournaments will be limited to 1 spectator per bowler until further notice
- The next WYBT Clinic is on October 31st. This clinic will be focused on practice routines and drills and also will feature a special **Parent clinic** to help parents and family of bowlers best support their athlete. A link to sign up for the next clinic is below.
- The next WYBT tournament is on November 1st at Bowlero Wauwatosa. This is our first Tier 1 tournament of the season. This tournament has a slightly higher entry fee of \$60 (with all additional monies going straight to the prize fund) and will award roughly double points for our player of the year race.
- Bowlers must fill out our online ball card survey with their (maximum) 5 balls for competition before check-in.
