### Certification

1. All bowlers competing must be a certified USBC member 23 years of age or younger as of August 1st, 2021.
  - 1.1. Bowlers that are now in the U20 age division will be USBC adult sanctioned and allowed to compete.
    - 1.1.1. All payouts will be in the form of scholarship dollars. No cash payouts will be awarded.

## Registration

2. Bowlers must register for tournaments online at WYBT.org before events.  
Payment can be made ahead of time with Venmo or in person with cash, check, or venmo. While the roster will be posted on our facebook page, *requests to be added to the roster on facebook are not official and your spot will not be guaranteed.*
3. Paid registrations are guaranteed to hold your spot until check-in ends at 9am. Non prepaid registrations should check in before 8:45, after which walk-ins will be allowed to enter the tournament if the tournament was previously identified as full.

## Divisions

4. There are three divisions of competition. Boys Scratch, Girls Scratch, and Handicap.
5. All new bowlers must present a sanctioned league average. Bowlers with an average 191 and over will be placed in their respective scratch division. Bowlers with an average 190 or under will be placed into the handicap division. Handicap will be taken as **80% of 200**. All handicap bowlers will be re-rated with a wybt tournament average after 6 games of tournament play.
  - 5.1. If there is a difference of more than 20 pins between a bowler's book and WYBT average after a bowler's first tournament, the next tournament's

handicap will be taken from the average of book and tournament averages (equally weighted).

- 5.2. At the beginning of a new season, previous handicap bowlers will use last year's wybt tournament average until their new 6 game tournament average goes into effect. (a 20 pin difference will use the rule stated above)
- 5.3. Once a bowler competes in the scratch division, they can no longer compete in the handicap division for the rest of the season.
- 5.4. Any bowler with an average 190 and under may opt into the scratch division.

### **Format and Competition Rules**

6. Tournament check-in begins at 8am, practice begins at 9am (unless noted otherwise). Walk-ins are allowed if there is space.
7. Tournaments will be contested on Sport conditions (Junior Gold, College patterns. etc).
8. Tournaments will have a maximum of 8 bowlers per pair.
9. Events will be split into two tiers, Tier 1 and tier 2 events.
  - 9.1. Tier 1 events will be contested on more difficult lane conditions and have a higher entry fee. Lane conditions will not be revealed until the tournament is completed.

9.1.1. Tier 1 events will have a 5 ball limit for bowlers. Bowlers will fill out a ball card stating bowling balls selected for the tournament. Any bowler found to be using balls not listed on the ball card will first be assessed \$5 fine. Any subsequent violations will result in disqualification.

9.1.1.1. Any damaged bowling balls can be replaced by another ball after approval by a tournament official.

9.2. Tier 2 events will reveal the lane condition before the event begins.

10. The season will be split into two halves.

10.1. The first 6 events (first half) will be competed on the "Single Elimination" format after qualifying is completed.

10.1.1. Single elimination is used in the first half because college tournaments use single elimination after any cuts at tournaments.

10.2. The last 6 events (second half) will be competed on the "Double Elimination" format after qualifying is completed.

10.2.1. Double elimination is used in the second half because the Junior Gold Championships use double elimination after the final cut. Junior gold takes place just after the end of the second half and this format will provide useful practice for that event.

11. Bowlers that compete in 3 regular season events are allowed to enter the year end tournament.

12. Bowler's scores must be verified by the bowler below them each game with an initial on their scoresheet.

13. Surface adjustments may be made to bowling balls before each round of competition. You may not alter surface after each round has begun for score. This includes abralon/sandpaper, ball cleaners, etc.
14. Tournament formats will include the following:
  - 14.1. **Single Elimination Bracket:** Cut to the lesser of  $\frac{1}{4}$  of bowlers or top 16 bowlers after 6 games of qualifying (and still pay out to the top  $\frac{1}{4}$  of players). Pins do not carry over. Two games total pins to determine the winner of each match. When a player loses one match they are out of the bracket.
    - 14.1.1. Any ties for the last spot in the bracket after qualifying will be broken by a 9th and 10th frame rolloff. Two balls of practice on each lane will be awarded.
    - 14.1.2. Any ties in a match will be broken by a 1 ball rolloff.
  - 14.2. **Double Elimination Bracket:** Cut to the lesser of  $\frac{1}{4}$  of bowlers or top 14 bowlers after 6 games of qualifying (and still pay out to the top  $\frac{1}{4}$  of players). Pins do not carry over. One game total pins to determine the winner of each match. When a player loses one match they enter into the consolation bracket. When a player has lost two matches they are out of the bracket.
    - 14.2.1. Any ties for the last spot in the bracket after qualifying will be broken by a 9th and 10th frame rolloff.
    - 14.2.2. Any ties in a match will be broken by a 1 ball rolloff.

- 14.3. **Round Robin match play:** Cut to the top 8 bowlers after 6 games of qualifying (and still pay out to the top ¼ of players). Pins will carry over. Bowlers will bowl 7 games, one match against each finalist. The winner of each match will receive 20 bonus pins. The 8th/final game will be a position round. Scores will be re-tallied and bowlers will be seeded by total pins + bonus pins. The matches will be as follows: 1st vs 2nd, 3rd vs 4th, 5th vs 6th, 7th vs 8th. The bowler with the most pins + bonus pins wins.
- 14.3.1. Any ties for the last spot in matchplay after qualifying will be broken by a 9th and 10th frame rolloff.
- 14.3.2. Any ties in a match will result in both players receiving 10 bonus pins.
- 14.3.3. Any ties for 1st place after all rounds have been completed will be decided by the record between the two opponents in matchplay.
- 14.3.4. If the record is tied, the final tiebreaker will be total scratch pins.
- 14.4. Bowlers will move to the right after each qualifying game.

### **Code of Conduct for Bowlers and Parents**

15. Bowlers must read the Code of Conduct form and fill out the “general event form” before their first tournament in order to compete. Violations of the WYBT code of conduct will be reviewed by the tournament directors. Consequences for violating the code of conduct will either be listed in the following rules or up to the

discretion of tournament officials. All decisions made by tournament officials are final.

16. Only bowlers and tournament officials are allowed in the settee area during tournament play. Bowlers may talk to coaches, parents, and spectators outside of the bowler's area.
  - 16.1. Bowlers must be ready to bowl when it is their turn. After the first offence a verbal warning will be given. After a second offence the bowler will be assessed a \$5 fine. Subsequent offences may lead to disqualification.
17. Any bowlers who have made the cut but have left the bowling center will not be called/waited on to return. The next highest qualifier will receive the spot. If pins carry over the alternate bowler will keep their current pincount.

### **Covid-19 Rules (Not currently in effect)**

Spectators and guests may not attend if they have been in contact with any sick individuals. High risk individuals are recommended to not attend WYBT events during the pandemic.
21. Bowlers will have their temperature taken (A digital non-contact thermometer) at check-in. Any bowlers exhibiting symptoms of covid-19 or that have a fever will be denied entry to the tournament and will have to leave the facility. **Please consider the well-being of the bowling community and their families when considering if this rule applies to you.** Any prepaid registrations can be moved to a future event or refunded.
- 21.1. We recommend all bowlers check their temperature before leaving for the event so that we don't have to turn anyone away.
22. Bowlers are limited to 2 guests/spectators at an event.
23. Bowlers are not allowed to high-five other competitors and should limit their movement around the center.

24. Bowlers and spectators are required to wear a facemask in the bowling center. Bowlers are allowed to take off their mask when bowling. Even if there is not a state mandate, WYBT reserves the right to require face coverings for both bowlers and spectators. Bowlers or spectators who choose to not abide by WYBT code of conduct are subject to fines and disqualification.

### **Points System**

25. Bowlers will receive points based on their performance in every tournament, excluding the year end tournament. The top point winners in each division will be named Bowler of the Year and/or Rookie of the Year.

Our points system will purposely be a reflection of the “powerpoints” ranking system used by collegebowling.com to rank college teams. Tier 1 events will be worth more points than Tier 2 events.

Points will be awarded according to the following:

- 25.1.4. Bowlers are guaranteed to earn a minimum of 50 points
- 25.2. Tier 2 events:
  - 25.2.1. These events will give 150 points for a first place finish.
