

Who is DIYDG?

Deadly Inspiring Youth Doing Good (DIYDG) is a youth-led, non-profit organisation. We are powered by volunteers and donations.

DIYDG impacts young people by creating safe spaces, providing a platform for a youth voice and inspiring, equipping and empowering the next generation to take action to change their world.

Our Aim

Young people need to feel that their world is a safe place where; people care about their wellbeing, feel respected and supported, and are empowered to get through life's challenges.

We know when these needs are met that we develop a sense of identity and belonging and know our place in the world. We aim to create strong connections to build each young person's sense of worthiness.
