Things you needs to know

It has been a very uncertain time, and we are working with the government guidelines to ensure that all children and staff are safe in our care.

We ask that parents do not enter the building. We will collect and drop off your child at the entrance. If you would like to meet with Charlotte, Helen, Sarah or your child's key person please let us know and we will arrange a time.

Please ensure children arrive at nursery with nappies, wipes and spare clothes, especially if potty training.

We will be using the outdoor garden daily therefore please bring a warm coat and outdoor shoes/wellies or sun cream dependant on the weather.

If you have any concerns or questions, please do not hesitate to ring, or talk to us outside.

Thank you - Charlotte and Helen
