WHY CHOOSE BLUE IMP

As Canada's longest-standing playground manufacturer—family-owned and operated since 1917—we design and fabricate a vast array of playground, park furniture and related products at our headquarters in Medicine Hat, Alberta. Our products are infused with family pride and backed by a comprehensive, hassle-free warranty for peace of mind.

MADE IN CANADA, MADE AWESOME

We proudly manufacture our playground and park products right here in Canada and having done so for four generations, we understand a thing or two about delivering the kind of quality Canadians expect and the kind of durability our climate demands. What Canada makes, makes Canada!

DESIGNING FOR YOUR NEEDS

Blue Imp specializes in bringing your ideas to life and adding a personal touch to each project. Our experienced design team strives to create engaging playgrounds that meet the needs of your particular target group, community or school. Our structures are thoughtfully designed to provide inclusive play experiences for varied ages and abilities and to develop physical literacy skills as well as provide sensory, imaginative and social experiences.

PLAY LONG, PLAY STRONG

At Blue Imp, we insist on using superior materials to craft highly durable products that stand up to enthusiastic play and extreme weather. We promote steel components for their longevity and vandal-resistance and we back our products with the best warranty in the industry.
