Attention: Chief Ross Perley

**Subject: Project Management Services**

With regard to the Kciw Knicanewek Sports and Recreation Park – Phase 2 Red Island Contractors Inc.(RICI) is pleased to offer project management services.

As the project manager RICI will have general oversight responsibility of the KKS RP project to ensure the project is executed as planned. The work under Phase 2 includes the installation of water, sewer and electrical infrastructure, access roads, parking lots, a playground, a splash pad, a soccer field and track, a baseball diamond, a field house, a grounds house, an ice rink, and all the amenities thereto. The project manager will coordinate the work of all professionals, contractors engaged to complete the architectural and engineering works, and will also be responsible for the selection of goods and services during of the construction period.

Red Island will ensure the work is ready for commissioning as of January 1, 2022. I have attached hereto a service contract for your consideration.

Sincerely,

Dana Francis  
President
