WELCOME TO THE 2026 GREAT RIVER QUILT SHOW

The Great River Quilt Show is the result of many months of planning, countless volunteer hours, and the dedication of our guild members. We are especially proud to share the quilts on display. Each represents many hours of creativity, skill, patience, and love from the quilters who created them.

As you explore the show, we hope you will take time to enjoy the quilts, visit our wonderful vendors, stop by the Boutique, watch a demonstration or bed turning, have a quilt professionally appraised, and spend time visiting with friends both old and new.

Most of all, we hope you leave inspired by the beauty, craftsmanship, and community that make quilting such a meaningful part of our lives.

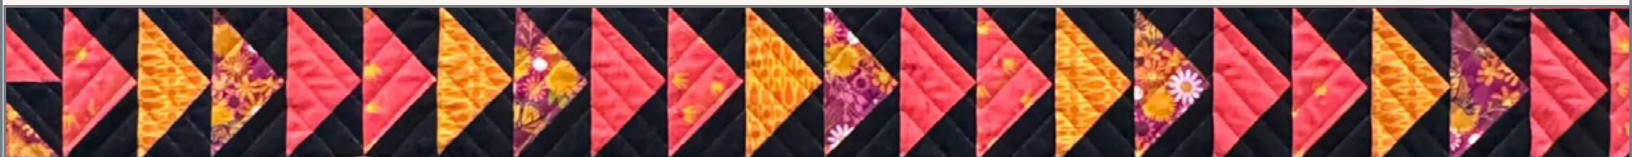

Thank you for joining us and celebrating the art of quilting with the Mississippi Valley Quilters Guild. We invite you to learn more about our guild on page 31 of this guide, and if you are interested in becoming part of our quilting community, please stop by the Welcome & Membership table during the show.

FEATURED QUILTERS

BEVERLY HOY

In Memoriam, 1947–2026

For more than 25 years, Beverly “Bev” Hoy was an active and much-loved member of the Mississippi Valley Quilters Guild. An avid quilter, Bev entered her work in quilt shows and earned many awards, but quilting was about more than ribbons for her. She treasured the guild’s sit-and-sew gatherings and the friendships and sense of community she found among fellow quilters.

Bev passed away on April 4, 2026, at age 79. This year’s Great River Quilt Show offers an opportunity to celebrate both her work and the creativity she shared with our guild over many years. We are honored to feature a selection of Bev’s quilts and to remember the time, care, and joy she brought to quilting and to the MVQG community.

KARLA MILEY

Karla Miley has been a sewist and handwork experimenter her entire life – clothing construction, tailoring, quilting, knitting, smocking, needlepoint, embroidery, to name a few. However, she’s been able to devote more time to quilting since her retirement from her full-time faculty position at Black Hawk College. During the pandemic, the plethora of Zoom lectures and workshops hosted by national and international experts in modern techniques and design spurred on her deep dive into

modern quilting. In addition to being an active member of the Mississippi Valley Quilters Guild, she is also a member of the Bloomington Normal and South Florida Modern Quilt Guilds to broaden her range of opportunities and to strengthen her connections to the world of modern quilting. These opportunities include having a quilt juried into QuiltCon in 2024; having several quilts selected for an exhibit of modern quilts at the Anne Lloyd Gallery in Decatur, Illinois; and participating in the BNMQG Modern Quilt Showcase with the Original Sewing and Quilt Expo in 2024 and 2025, where selected modern mini quilts travel around the United States. Honors include having one of her quilts published in Curated Quilts, and another voted “Viewer’s Choice” at an exhibit in Mattoon, a number of quilts juried into the Great Wisconsin Quilt Show (2023, 2024, 2025, and 2026), and several quilts awarded ribbons at our Guild’s quilt shows. Additionally, Karla received the NACQJ Award of Merit: Outstanding Achievement in Quilt Making in 2024 for her quilt *“Ten Shades of Red.”*

MEET OUR QUILT APPRAISER **CHRIS MOLINE**

Chris Moline has loved quilts and needlework for much of her life, with a special passion for appliqué, hand piecing, quilting, and embroidery. She enjoys all styles of quilts from traditional, modern, and reproduction to art quilts, wall hangings, minis, and even quilted garments.

A native of Sioux City, Iowa, Chris graduated from Iowa State University and spent 40 years working in the computer industry while always keeping fabric, needles, and plenty of UFOs close at hand. After moving to Naperville, Illinois, she became active in several quilt guilds and helped form Riverwalk Quilters.

Encouraged by Jean S. Lyle and Edie Idleman, Chris became a certified appraiser of quilted textiles. Nearly 20 years later, she has appraised thousands of quilts for makers, collectors, and families who have purchased or inherited quilts. She also enjoys teaching, designing patterns, researching quilt history, and sharing the knowledge she has gathered from grandmothers, teachers, authors, and years of experience.

Chris is also an antique quilt dealer, carder and spinner of wool, weaver, and furniture refinisher. She believes every quilt has a story and finds appraisal work exciting because you never know what will walk in the door.

WHY HAVE A QUILT APPRAISED?

A professional appraisal provides written documentation of a quilt's estimated value and identifying characteristics. Appraisals can be useful for:

- Insurance purposes
- Estate planning
- Donation records
- Sale or purchase decisions
- Documenting family or historical quilts

Whether your quilt is antique or modern, a professional appraisal can help you better understand its history, workmanship, and significance.

MEET OUR JUDGES

KATE EELKEMA

NACQJ Certified Quilt Judge

Kate Eelkema's two passions are quilting and children's literature. After several years as an elementary media specialist, she volunteered as a librarian for the school she attended as a child. Kate has been a certified quilt judge for more than 20 years and is currently president of the National Association of Certified Quilt Judges. She is a qualified instructor for the Introduction to Quilt Judging Seminar. When she is not judging quilts or giving presentations, Kate enjoys quilting, reading, and splitting her time between Big Sky, Montana, and Minnetonka, Minnesota.

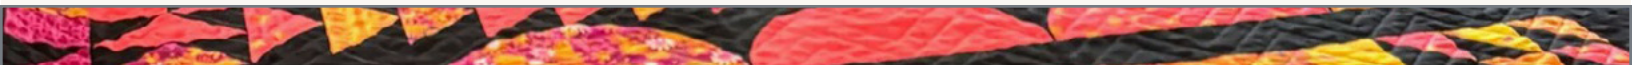

MARIBETH SCHMIT

NQA Certified Quilt Judge

Maribeth Schmit is an accomplished fiber artist, quilting instructor, author, and certified quilt judge. She has judged quilt competitions since 2004 and has evaluated thousands of entries across the United States and internationally. Her judging experience includes traditional, contemporary, art, hand-quilted, machine-quilted, and longarm-quilted work. She is also qualified to evaluate NACQJ Masterpiece Quilts and serves as an instructor for the NACQJ Introduction to Quilt Judging Seminar.

WHAT IS NACQJ?

The National Association of Certified Quilt Judges (NACQJ) promotes knowledgeable, fair, and constructive quilt judging. Building on standards established by the former National Quilting Association, NACQJ supports judges and candidates through education and training. For quiltmakers that means they will receive consistent, meaningful feedback as well as recognition of skill and achievement for the ribbon winners.

ABOUT MVQG

The Mississippi Valley Quilters Guild welcomes anyone with an interest in quilts and quilting.

Founded in 1983, the guild brings quilters together to learn, share, create, and encourage excellence in color, design, and construction while promoting an appreciation of quilting throughout the community.

Members have many opportunities to learn, create, connect, and give back. The guild offers monthly programs and lectures, classes with regional and national instructors, member-led Skill Builder workshops, retreats, sit-and-sew groups, and gatherings focused on modern quilting, fiber arts, and other techniques. Beyond the classroom, members contribute thousands of volunteer hours each year through charitable quilting projects, Quilts of Valor, Habitat for Humanity efforts, community displays, and other service projects that benefit organizations and individuals throughout the Quad Cities area.

Interested in joining us?
