President's Message

By Sandie Cockerill

Winter is a time of rest and reflection but as the days slowly become longer, we're reminded that spring will soon usher in new beginnings and opportunities. We stay hopeful that the best is yet to come.

The sign of Pisces (February 19 – March 21) is the last sign of the Zodiac. It appears as we give way to thoughts of spring and rejuvenation. Pisces are very sociable, and are the Guild members who volunteer for a project, and then also volunteer for the next project brought to her attention, because if she doesn't, who will. She is generous to a fault and can bring out the best in others. She loves to attend the meetings, admire the quilts shown and give praise to all.

As the Guild moves towards its rejuvenation by scheduling a virtual meeting in March, and then progress to in-person meetings, there will be many opportunities to get involved with the Guild.

Jane Darin

Originally from Battle Creek, Michigan, Jane discovered her passion for quilting when she moved to the Quad Cities. She has over 25 years of quilting experience and has been a Mississippi Valley Quilters Guild member since 1998. Many of Jane's first projects were scrappy quilts, and she quickly developed an eye for using "leftovers" to make masterpieces. She's been awarded Blue, Red, and White ribbons from MVQG in the 2000's along with a Blue ribbon from the Illinois State Fair. In recent years, Jane has focused her talents on making quilts for those that need them most: children in residential homes, veterans, and MVQG's charitable group. Designing patterns, teaching classes, and lecturing at area quilt guilds gives her a platform to share her knowledge—while also serving as a great motivator to finish new projects!

President's Message continued

Let's all call upon the traits of Pisces and be the member who just can't stop themselves from volunteering.

And as Dr. Seuss says "Unless someone like you cares a whole awful lot, nothing is going to get better. It's not."

Condolences to Pat Edmundsen on the passing of her husband Vance.

Doohickey Drawing

An Americanism dating from 1910-1915, a doohickey is a gadget; a dingus; a thingumabob; a nifty quilting tool that a quilter may want, has never heard of, or is too expensive to purchase.

Each month a new Doohickey is offered to our membership. It may be a new "cool" tool or it may be something tried and true; expensive or not so much. Tickets are \$1.00 and monthly prizes are determined by the number of tickets sold the previous month. The winning ticket will be drawn at the end of evening meeting.

The doohickey drawing will resume when we can meet again in person.

Doll quilts....

Doll Quilts will be Tuesday, March 16, 2021 from 9:00-2:00 at the Deere-Wiman Carriage House.

Cheers to those who have already made a bunch for next Christmas! Or have the fabric and batting collected and in the works!

I plan a day to sort, plan, cut, sew and disperse....if you can't, or don't feel comfortable working in a group, (masked) call me, to arrange for a pick up or delivery of materials or finished doll quilts. We can use all batting leftovers and always welcome fabrics. What we can't use, I pass on to other charities.

As I recall, there are a couple of boxes of pretty small scraps, if anyone likes to make 'I Spy' style or just some crazy patchwork.... colorful, reminder24" is good, not much smaller, and if you run out of batting, maybe some flannel or that poly fabric you wouldn't use on the outside...just to give it some body....call me, questions...

Have had appreciative responses from our recipients!

Margaret Paulos, dq chair

Charity Day

Our next Charity Day is Thursday, March 11th at the Deere-Wiman Carriage House from 8:30-3:00. I do plan on having it provided the virus continues to wane. Hopefully, some of us will have received a vaccine shot.

😊 I will keep the number of participants at 10 so we can socially distance. Face masks are required at all times. Please call me if you wish to attend.

31 quilts were donated and gratefully received in the months of December and January.

In Memoriam:

Gloria Tripp passed away in December and she will be greatly missed. She was a long time member of the Charity Committee. Gloria worked tirelessly cutting fabric, making kits, sewing and donating fabric to help those in need in our community. We will miss her cheerful and generous spirit. May she rest in peace and love.

Blessings,
Paula Hardi (309) 797-3986

QUILT Retreat

Now that 2020 is over, we are all looking forward to 2021. Hopefully it will be better than 2020 as far as getting together and meetings. Spring retreat is just around the corner on March 10 - 14, 2021 at Grace Lutheran Church Camp in DeWitt, Iowa. Retreat starts at 8 am on Wednesday and ends at 3 pm on Sunday. At retreat you can do anything you want: sleep in, stay up all night, go on road trips with your friends, work on your own projects, read books, or walk the beautiful camp grounds. We do our own cooking so everyone is assigned to a team to help with one meal.

Because precautions for Covid change from day to day, some adjustments may need to be made. Keep watching the newsletter and your emails for updates. We will again limit each building to 10 people as we did in October and will not reimburse meals. To register, complete the registration form and mail it along with your nonrefundable deposit to Sue Kirk for either building. If you have any questions, please contact Sue or Mary.

Quilts of Valor

Well I hope this finds you all healthy and warm! I don't know about you, but I am ready to get back to life! I miss seeing all of you at the sew-in's and guild meetings. I have not figured out that zoom thingy. I think I am dragging my feet to all of that.

However we are still not meeting as a group, as sad as that is! We still need to stay safe.

I haven't done a total on the quilts for May in awhile, but I believe we have 93 names on the list and have over 70 made. We have enough tops and backs ready to quilt so they will be covered.

Have I told you lately how awesome you all are! During a pandemic you all have still continued to work! I am so proud of this amazing team. All of you make me look good.

Unless things drastically change, we will have to do another drive-thru in May. We all miss the ceremonies but safety has to come first! I am hoping for a ceremony in November. Time will tell.

So stay safe, stay warm (it's -2 degrees as I am typing this). Thanks for all you do for QOV, our vets and me,

Humbly grateful, Terry Austin

Webbie's Bytes: Website Updates & Upcoming Changes

This section will be titled Webbie's Bytes and will be dedicated to informing members of changes to the Website or Website-related instructions or information. The following Webpages will be made Private, effective following the May, 2021, general guild meeting:

- Monthly Meetings
- Newsletter
- Calendar

What does this mean to you? Making a Webpage Private means that it allows members-only access. MVQG members will be required to create an account in order to access the Webpages outlined above. Creating an account is similar to what occurs when visiting an online shopping Website (e.g. Amazon) or when subscribing to receive an organization's newsletter or emails. The Webmaster will make the Webpages listed above private and grant all current members access to the Webpages. After the Webmaster publishes the private Webpages, the first time a member accesses one of the private pages, he/she will be prompted to login or create an account (similar to the images/examples below), which means providing an email and password of their choosing. Instruction will be provided in future email notifications or Newsletters but for now, please understand that it is time to safe-guard the Guild's, and its members', information. While the MVQG is a quilt resource for non-members and the general public, some information provided on the Website intended for members only.

Variety in a Quilters Life Exhibit The Maquoketa Art Experience

The Mississippi Valley Quilters Guild is having an exhibit in May and June at the Maquoketa Art Experience. We are looking for around 50 pieces in all genres from traditional, modern, art, foundation, applique and any styles that might be your favorite thing to do. All sizes. Also have table space for tablerunners, bags, miscellaneous items and 3-D items. We are so happy to begin getting our work back out into the public eye to help promote our quilting art. It Takes a Village will be included in this exhibit. If you still have a sky fabric, we are still accepting village pieces.

Please pick out your favorite quilt or other item for this exhibit. Items are needed to be handed in by April 15 to Diana Engelbrecht. A drop off place and time will be arranged and posted in the April newsletter. There will be a form to fill out with the title, piecer/quilter, and designer information. It will be on the website and in the April newsletter. Let Diana know what you are willing to exhibit.

UFO CHALLENGE 2021

We have redefined our challenge. With all the issues involved with Covid-19 we are updating the UFO Challenge. The 2021 Challenge began in January as planned. I will draw a number and notify participants *by email* which project will be due in May. Your finished project (meaning you have accomplished the goal you identified when you signed up) will be shown at the May meeting or the next available meeting date. Winners will be announced and prizes will be awarded at the conclusion of the Challenge. You have the opportunity to earn up to 2 prizes. One in the quarterly challenges and one IF you complete all 5 of your projects. The drawings for prizes will all be held at the final date. Finally, you may sign up at any time to participate in the challenge. You will still need to submit your project form and \$5. See the form in this newsletter. You must send a photo of your finished project to Kathee@Frontiernet.net by the Sunday preceding the meeting date that the number is due. Thank you for your understanding. Please contact me if you have any questions.

President's Quilt

It is time to begin thinking of a **Thank You Quilt** for our Guild President Sandie Cockerill. Guild Vice President Hope Schroeder will be collecting 6 1/2" squares in creams, browns and burgundy. Please sign your name on the square and turn in one or two at the April or May Guild meetings! Call Hope at 563-505-0191 if you have any questions.

Volunteers Needed

The guild is looking forward to 2021 and to everything that is on our calendar. There are 5 speakers scheduled between now and October and we're all interested in hearing their presentations and participating in their workshops.

Two new items have been put on the calendar:

The garage sale last fall was such a success that we are planning to do it again on September 17 and 18, 2021. This will give us all another chance to "clean and sort" our sewing and craft rooms.

Peggy Fierst has donated a beautiful and colorful quilt top and back. Ann Filiatreau has volunteered to provide the batting and do the quilting. Tickets will be sold for a chance to win the quilt and the drawing will take place at the garage sale.

With the money that was earned in 2020 by selling tickets for the Raffle Quilt and at the garage sale, we brought in some of the revenue we would have earned if the 2020 Quilt Show had taken place. The Board's hope is that the same thing can happen by having these two events in 2021.

In order for these endeavors to be successful, volunteers are needed. Call any Board member and let them know what you are willing to do.

Call for Zoom Video-Conference Operators / Volunteers

During the pandemic, the Guild provided video-conferencing so membership could attend the General meetings virtually. A member had graciously allowed the Guild to do so via her subscription; however, the Board has purchased a Zoom subscription so Guild business may potentially be conducted virtually in the future. During the Nov. 3, 2020, General meeting, the Board stated it had been discussing how to allocate resources for video-conferencing and asked for assistance. While the Board is invested in finding ways to continue making meetings available to members who choose not to attend meetings in person (that is, when state restrictions allow meetings to reconvene), the Board does not have the resources to provide video-conferencing during each meeting. If you are tech savvy, or know someone who is, and would like to discuss this venture further, please contact the President or another Board member. Conducting Zoom meetings involves scheduling, streaming and operating the meeting. For the Guild to provide (Zoom) video-conferenced General meetings, ideas are appreciated and assistance is needed.
