President's Message

By Sandie Cockerill

Before I got involved with quilting, I was an astrology buff. I learned about Sun Signs and Ascendant Signs and personality traits of each of the houses. When I met someone new, I would try to guess their Sign; and was surprised at how many times I was correct.

During these days of spending lots of time at home and "cleaning", Bev Hoy came across an issue of McCall's Quilting Magazine dated February 2003. I'm not sure how she knew that I would be interested in an article entitled "A Gathering of Quilters; The Astrology of the Quilt Guild, but I was thrilled to see my two hobbies combined.

I am a Taurus whose birthday falls between April 21 and May 22.

The article states that I am

Jane Sassaman is coming to MVQG!!! We're so excited to host this award winning, international speaker and teacher for 2 lectures and 2 classes!! Check out Jane's beautiful designs at www.janesassaman.com.

After a varied career in the design world, Jane began to quilt in 1980. She found that these "soft paintings" satisfied the draftsman, the craftsman and the artist in her. Consequently, she is now a dedicated (some say "obsessed") quilt artist and fabric designer.

Her art quilts have been shown in many national and international exhibits, including Quilt National 1989 through 2005 and Contemporary American Quilts, the first major exhibit of American art quilts in England. Her quilt "Willow" was named as One of the One Hundred Best American Quilts of the Century. Jane is also the author of "The Quilted Garden". The book includes twenty years of her work and exercises for making nature-inspired quilts.

Jane's love for historic decorative arts can be seen in all facets of her work, but it is especially evident in the exuberant fabric she is currently designing for FreeSpirit. Her designs are oversized and colorful and have been coined as "William Morris on anti-depressants". They are created for quilts, wearables and home decorating. Her latest book, Patchwork Sassaman Style, beautifully illustrates her fabric "in action".

Please watch for emails from Mississippi Valley Quilters Guild. Please watch for these important emails.

as steady and constant as the North Star. As a result, I will be offered positions of responsibility in my guild because everyone knows I am so dependable. The problem is, I would rather be home playing with my stash instead of attending meetings. However, if I am bribed with tangible rewards (chocolate, a bag of scraps) I will make one of the best guild officers ever seen.

Wow! I was impressed. So just maybe being President and all that position requires shouldn't intimidate me after all. In the months ahead I will tell you more about who you are.

In the meantime, "Throw kindness around like confetti".

Doohickey Drawing

An Americanism dating from 1910-1915, a doohickey is a gadget; a dingus; a thingumabob; a nifty quilting tool that a quilter may want, has never heard of, or is too expensive to purchase.

Each month a new Doohickey is offered to our membership. It may be a new "cool" tool or it may be something tried and true; expensive or not so much. Tickets are \$1.00 and monthly prizes are determined by the number of tickets sold the previous month. The winning ticket will be drawn at the end of evening meeting.

The October doohickey drawing was won by Sally Stewart.

The November doohickey is an OLFA 17x17 rotating self-healing cutting mat!

Our Mission:

Organized in 1983 to educate and encourage members in the quilting arts; to encourage high standards in color, design, and construction of the quilted medium, and to stimulate interest in quilting in the community.

2020 MVQG CHALLENGE

DOUBLE DOUBLE QUILT CHALLENGE DELAYED

The Board extended the deadline for the Double Double Challenge to the December meeting. With Covid-19 there have not been sufficient meetings to promote the challenge and allow for sign ups, and many have been busy sewing necessary masks.

For those of you who have completed your challenge entry, I apologize for the delay and look forward to seeing your entry in December.

The theme for the 2020 MVQG Challenge is Double 2020. There is a \$1.00 fee per challenge entry. Quilts must be 20" by 20." Bring your challenge to the December 2020 meeting. They will be displayed and voted on at the meeting that night. Top three vote getters will win a prize valued at \$25 first place, \$15 second place, and \$10 third place.

Incorporate "double" into your quilt theme—anything duplicated, such as twins, double dutch, double vision, double negative, double down (maybe including feathers?), double play, double trouble, double chocolate, double cheese, etc.

Imagine the possibilities—no restrictions except the size 20 by 20. When combined with your creativity you're sure to enter a winner!

If you are interested in signing up, please contact me at 309-644-1179 or through my email at caroltriebel52@aol.com. - Carol Triebel

Thank you soooo much
What a gorgeous quilt. Love the colors, names and notes, the design and quilting. You are all awesome. Thank you so much for the memory of the past two years of serving as your president. Thank you all for your support and encouragement through those years. Thank you to the board members and committee chairs for all the hard work you have done over those two years. We are all in this together and working together as a whole making light work for each person. You are appreciated. Special thanks to Elaine Giesecke for organizing the blocks and designing a beautiful quilt and to Faye Kunz for the wonderful quilting.
Your 2018-2019 & 2019-2020 president, Diana Engelbrecht

Quilts of Valor

Well a HUGE thank you to the 53 veterans that arrived to receive their quilts Sunday. We also want to thank 10 members of the honor guard for participating that day. They saluted all the veterans and they drove by. That was a true blessing.

We had 17 volunteers from our group hang with me with the lovely (COLD AND WET) weather that day. The rain held off till 3:30, so I was pleased it held off that long.

So here are the numbers:

53 were awarded

13 moved to a private drive thru with Denny and Janet

18 moved to May '21 hoping for a ceremony

10 graciously said no thank you

3 were privately delivered early

10 to be delivered privately, who didn't come for whatever reason.

So I can't be more blessed than to count you all as friends to get this event covered. So thank you for volunteering your time, your sewing skills and your ear when I needed to vent!

Thank you for your continued prayers for my son, who is getting better everyday. (For those who don't know, his gallbladder ruptured about 8 weeks ago and surgery was done only 3 weeks ago as of this notice.) To say the least it has been a harried couple of weeks for us.

So many, many thanks to all, too many to list here. I cannot do any of this without all of you!

From a humble and grateful heart,
Terry Austin QC QOV

It Takes a Village

Accepting your village pieces yet for the next several months. Would like about 20 more.

Thank you for participating in the special display we are gathering to exhibit in area galleries and other venues through the next 2 years. Final display planned to be the Special Display for the 2022 Great River Quilt Show.

If you are interested and haven't picked up your sky for \$1, contact Diana for it. We can add new people in as needed, but we encourage everyone who has their sky to please bring your piece to the November meeting. We need to know a number so we can let venues know how much room we need.

Your piece should measure 16x16 with some allowance for shrinkage when quilted. It should extend to the edge (no bindings or anything that would frame it in). They will be lined up next to each other connecting the horizons from one to the next for a continuous masterpiece. Bring your piece to the October meeting.

The subject can be anything in a village, such as buildings (schools, churches, homes, library, art gallery, movie theater, eateries, hot dog stands) ball park, amusement park, bridges or parks. It doesn't have to be a real building or scene. It can be a local scene, childhood scene, or just one from your imagination. It can be any season.

Ways to finish your It Takes A Village wall quilt

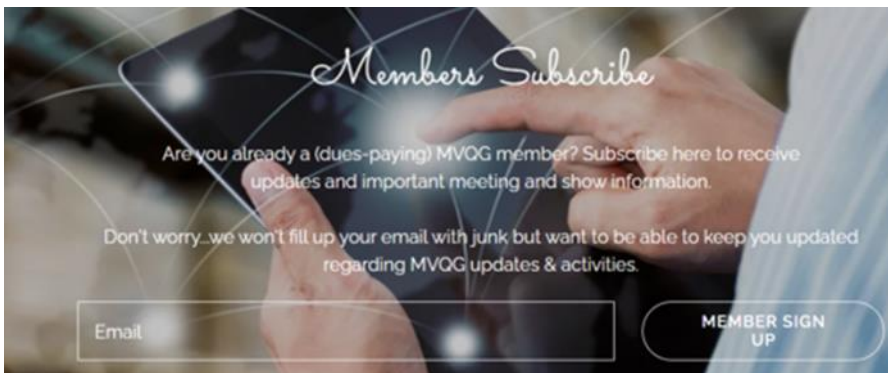

You have several options.

1. You can pillowcase the sandwich like the doll quilts are done. Then quilt.
2. You can sandwich, quilt and then finish the edges.
 - a. zigzag the edge.
 - b. do a facing edge. If you Google facing a quilt tutorial, there are many videos that come up.
 - c. using a single thickness of tulle (netting) wrapped around the edge as a binding leaves a nice finish and doesn't frame it.

The label should include The It Takes A Village Exhibit, your name and date, If a pattern was used, the name and designer of the pattern. Optional: your inspiration,

Enjoy the new and different holidays!

The November meeting is on
Tuesday November 17th.

The Audit Committee noted in its 2020 report that the cost to print and mail the newsletter to a small number of members exceeded the dues paid. The issue was discussed extensively at the September Board meeting and determined that the Guild will no longer provide this service. The Board of Directors has determined that the Guild will stop mailing newsletters to members, effective with the March 2021 newsletter.

2020 Mini Quilt Show.

The Botanical Center in Rock Island has space for us to display approximately 25 quilts (all sizes). It is an opportunity to show case those quilts that were made for the 2020 show.

The display goes up November 2, 2020 and comes down on January 31, 2021. Visit the Botanical Center to view the beautiful display of quilts.

A gratefully Clayton C. Peterson

There is such enthusiasm for the UFO Challenge that we have decided to continue in 2021. Attached is the Sign-up form. There are just a few explanations concerning the Challenge.

First, identify your UFO and what YOU want to accomplish. For example, your goal may be to finish piecing a quilt top. Your goal should be something you can accomplish within the time line. That does not mean you should have the entire quilt top pieced, quilted and bound. Just what you have identified.

Four prizes will be awarded. One for each of the 3 drawings. The fourth prize will be drawn for those who have completed all five UFOs. Again completed means only what you identified as your goal.

You must provide photo proof no later than the Sunday before the project is due. This allows enough time to get the names ready before the drawing at the meeting. You may show your UFO project at any meeting.

Call or email me with any questions.
