## President's Message

By Diana Engelbrecht

So many things can be looked at as a challenge. For some of us it is just getting out of the house and going to a meeting, meal with friends, talking to someone we don't know well, just life, and sometimes it is all of the above.

We are going to challenge each member to come to the potluck and have fun with others. That doesn't sound too hard. We will be having a mixer so each of us, old and new members, will be challenged with getting acquainted and spending some time with someone we don't know.

On to other challenges we can choose to participate with:

We have the yearly challenge due in September. The 2020 Double Double challenge. That information can be found on page 5. It sounds like fun. My mind is like a popcorn popper with ideas popping here and there.

Continued on Page 2

## December Program

"It's the most wonderful time of the year!!!"

We'll kick off December with our **Annual Holiday Potluck Mixers.**

What to bring:

- \* A dish to share – main dishes, sides, salads or desserts for the 1:00 meeting and for the evening festivities at 7:00, focus on appetizers or desserts.
- \* The recipe - so folks can take a photo and make it again.
- \* Your own festive holiday table service...placemat, plate, mug, napkin. Let's give the landfill a break!
- \* A "Quilty" White Elephant – hide it in a brown paper bag, large or small, one item or stuff the bag! We'll play a December Dice game, and you may go home with a treasure!
- \* Last, (but really first) – your appetite for fun, fellowship and food with MVQG!!

### INCLEMENT WEATHER ALERT:

Remember to check Facebook and E-mail blast for cancellation of meetings due to inclement weather. Or call the member in charge of the event. Be safe!!

## President's Message continued

What will I do?

There is the Buns at the Beach challenge for the Great River Quilt Show. Are you seeing swimsuit clad bodies, food including hotdog and hamburger buns, or another "bun". My biggest challenge on that one is drawing up the pops of ideas that are flying through my head to actually get it into fabrics. Info on page 6.

The Village isn't really a challenge. It is just a special exhibit that we would like to display not only at the Great River Quilt Show, but also in other venues too. How many architectural pieces will we have along with the parks, etc. Details page 7.

Then there are the little challenges that some of the sit and sews and the Fiber Arts group have out there too.

Choose one and go for it. Don't be overwhelmed with looking at doing them all. Choose the one that you can see in your mind. Just like at the potluck. Don't let the number of people overwhelm you. Choose one and talk to them. No one is as scary as we think they are.

## Doohickey Drawing

An Americanism dating from 1910-1915, a doohickey is a gadget; a dingus; a thingumabob; a nifty quilting tool that a quilter may want, has never heard of, or is too expensive to purchase.

Each month a new Doohickey is offered to our membership. It may be a new "cool" tool or it may be something tried and true; expensive or not so much. Tickets are \$1.00 and monthly prizes are determined by the number of tickets sold the previous month. The winning ticket will be drawn at the end of the evening meeting.

The November drawing was won by Mary Korreck.

The December Doohickey items is a Tula Pink 8 inch scissors and a Triumph pocket power snips.

## Our Mission:

Organized in 1983 to educate and encourage members in the quilting arts; to encourage high standards in color, design, and construction of the quilted medium, and to stimulate interest in quilting in the community.

### Transformative Fiber Arts (Figue Quilt Show, March 2020)

Quilting has often been a way of expressing women's aesthetic views in a utilitarian form. Today fiber artists are representing what they see around them into increasingly expressive art works that can be many things: Wall art, Bed or table coverings, clothing, comfort and honorary quilts, etc. All share the element of transforming the visual into a permanent aesthetic fiber art.

FYI: An example might be a beautiful Grandmother's Flower Garden quilt using antique fabrics. This pattern replicated a flower garden with its array of colorful pieces and shapes. Started by a grandmother and finished by a daughter? This transformation transcends generations to yield a beautiful art work. Or, how about a unique abstracted piece that uses natural dyes and techniques?

March 9-16, 2020, at the Figue Art Museum, we will again have the opportunity to display our beautiful art work in celebration of national Quilt Month. Please consider submitting one or more of your favorites for review by the committee. To assure a variety within the space limitations, the committee will review the submissions and make selections so start planning! At the December and January meetings there will be a form to send your entry to the committee chair. Questions? Contact Mary Kay Hymes, [mkhymes@gmail.com](mailto:mkhymes@gmail.com)

## 2020 MVQG CHALLENGE

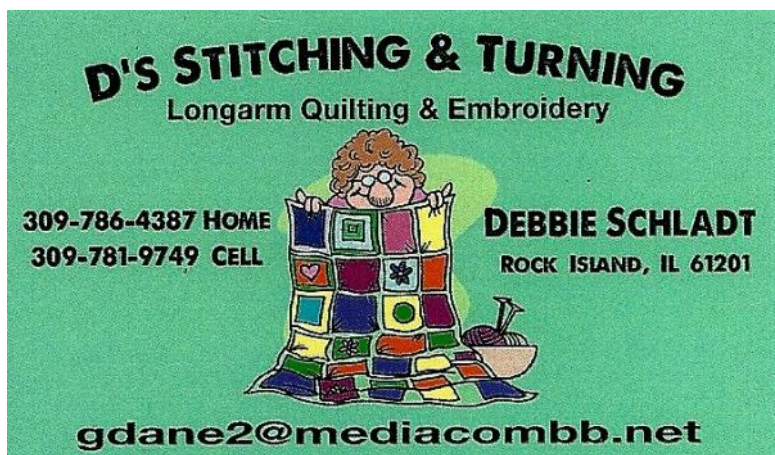

The theme for the 2020 MVQG Challenge is Double 2020. There is a \$1.00 fee per challenge entry. Quilts must be 20" by 20." Bring your challenge to the September 2020 meeting. They will be displayed and voted on at the meeting that night. Top three vote getters will win a prize valued at \$25 first place, \$15 second place, and \$10 third place.

Incorporate "double" into your quilt theme—anything duplicated, such as twins, double dutch, double vision, double negative, double down (maybe including feathers?), double play, double trouble, double chocolate, double cheese, etc.

Imagine the possibilities—no restrictions except the size 20 by 20. When combined with your creativity you're sure to enter a winner!

# Quilts of Valor

A huge thank you to all who helped get us ready for November 3rd award ceremony. To those who made the quilts, the cookies and volunteered that day. It was another great success. We had more cookies that showed up than signed for. So we had way too many but they didn't go to waste. Well except to my waist! So thank you thank you!

We had 68 awarded that week and the balance of the 92 invited were either moved to another ceremony, passed, refused or privately delivered. So amazing how it always comes together. You are all awesome. We have exceeded our numbers this year. The guild counts our numbers from August to August I count from Jan to Dec. So my numbers change daily, but from what I count we have delivered 272 so far since Jan and I have about 25 that need delivered by the end of the year. I can't believe how amazing you all are. The thank yous and tears are worth every stitch we make.

A bit of history from someone who received a quilt: Mr Keith served in the navy from 1942-1946. He witnessed on the USS Missouri, the signing of The instrument of Surrender prepared by the war department and the Japanese representative and approved by Harry S Truman.

I am always amazed by the level of history we have in our area. I am so blessed to honor these brave military veterans for a job well done.

Also, Our numbers from the John Deere classic are \$1649.00 donations and \$119 from John Deere matching. So thank you to all who contributed to that total.

From a humble and grateful heart , Terry Austin QC QOV

Letters from Vets:

To whom it may concern, Thank you for supporting veterans and showering them with the warmth of beautiful quilts. I love your mission and the beautiful pieces of art that your volunteers create, Molly K

Dear Ms Austin, On Sunday Nov 3rd I was one of the recipients of a quilt of valor, the ceremony was entertaining and emotional for the veterans and guests, it is not very often that a veteran receives thanks for his or her service to the country. I would like to thank all the quilters and team members of the QOVF for such a wonderful ceremony. The quilt will be displayed in my home for relatives, friends and neighbors to admire. Thanks to all and all of the QOV foundation. Larry S.
