

## 2020 GREAT RIVER QUILT SHOW DEMONSTRATIONS

### Bed Turning Program Schedule

Friday, September 21, 2018 11:00 a.m. and 4:00 p.m.

Saturday, September 22, 2018 11:00 a.m.

### What is a Bed Turning?

What is a Bed Turning? A bed turning is a mini quilt history program. Vintage and newer quilts are layered on a bed. The story of the top quilt is told and when the speaker is done, the quilt is folded back to reveal the next quilt and so on until all of the stories have been told. Quilt Historian Catherine Noll Litwinow will be comparing the quilts, old and new.

### CHARITY SEW IN

All day both days

Hands On Charity Sew In

Treadle Machine Demo and YOU Can Try It Too!

Ever wanted to know what it was like to sew on a treadle machine?

You can experience that at the quilt show.

You can sit down and sew some blocks for a charity quilt. We will have several regular machines as well as the treadle, that you can sew on. No experience necessary. We are there to guide you along the way. See the quick easy way to cut out quilts that does **NOT** involve scissors. We will guide you along the way, answer your question and give you some great tips.
