

# Annual Freedom Car Show

## Exhibitor Registration Form

We are excited to extend an invitation to exhibit at our upcoming Annual Freedom Car Show taking place on October 3, 2026, at Haddad Riverfront Park, 600 Kanawha Blvd., Charleston, WV. As one of the premier automotive events of the year, the Freedom Car Show promises to be an unforgettable experience for car enthusiasts, individuals with disabilities, and industry professionals alike.

The purpose of the car show is to educate first responders and the public, provide awareness, and raise money to help people with disabilities get the vehicle and home modifications they need to live independently. Although the Freedom Car show features vehicles with accessible equipment, we want all car, truck, and bike enthusiasts to join us. If it's unique or unusual we want to see it. All years, makes, and models welcome!
