Home Of The Louisiana Yam Cake

Based on a recipe from the family of
Linda Henderson, owner of French Market Express.
Linda grew up in South Louisiana and is descended
from a large family of French and Italian ancestry. Her
earliest memories are of her grandmother's large dining
room table covered with gumbo, roasted meats, steaming vegetables and of course, delicious pies and cakes.
All seven of her grandmother's children and their families would gather for holidays and special occasions.
Audrey, the oldest, entered the yam cake a family favorite, in a cooking contest and won first prize. Years later,
Linda's father, Bruce told her about the delicious cake
that was made from yams. Linda began experimenting
with the original recipe and the result is the now
Famous Louisiana Yam Cake!
