We hope you will consider joining our group.

Membership guidelines are:

- Meetings are held October through April on Friday afternoons at 1:30 at the Clubhouse.
- Every second Friday of the month, a business meeting for members only is called to order at 1 pm.
- Members present to the group a paper on a topic of their choice after their first full year of membership and every 3 years after that. Presentations are approximately 35 minutes in length.
- Meetings include a brief welcome from the Club President, a roll call, and a reading of literary minutes that summarize the prior week's presentation.
- A social time "tea" is held after the presentation.
- Meetings are not mandatory, but it is hoped that your curiosity will win out every Friday and you will want to attend.
- Members co-host the tea after the presentation once or twice a program year.
- All members serve on a committee as a committee Chair or committee member.

LANSING WOMAN'S CLUB

2026-2027 Program Year

Founded 1874

Lansing, Michigan

624 West Ottawa Street

Lansing, MI 48933

Lansing Woman's Club was founded in 1874 by twenty-five women for the purpose of providing a forum for self-improvement through the study of literature, the sciences, and the arts. Now, as then, weekly paper presentations provided by members introduce new and compelling topics that both stimulate and beguile our imaginations.

Following the presentations, members are invited to tea, which provides an opportunity to visit and share reflections with other members. LWC provides a rich environment in which to make new acquaintances, often resulting in lifelong friendships.

We are:

- A group of open-minded and intellectually curious women who are committed to lifelong learning.
- We keep pace with our multicultural world and include women who reflect the diverse community in which we live.
