# Lansing Woman's Club Lifting Our Skyline 

1874-2024

Dear LWC Members,

As we continue to celebrate our Sesquicentennial and our study of Legacy With Color through the color purple, I would like to write briefly about how the color has been used in Literature. In The Color Purple, the Pulitzer Prize-winning novel by Alice Walker, the character Shug Avery is "so stylish it's like the trees all round the house draw themself up tall for a better look." It is Shug that supplies the novel's title when she says that we should all notice the color purple in a field as we walk through it. Shug feels purple gives us evidence that there is much glory and generosity in the world around us. I am hearing rave reviews about the film that is presently in theaters. I hope you are able to see it.

Personally my favorite Purple Poem is as follows:

> I never saw a Purple Cow, I never hope to see one, But I can tell you, anyhow, I'd rather see than be one!

Moooving right along....

Our celebration color for the month of February is red. I'm looking forward to seeing you Friday in your flaming red! © Julie

"Securing the future of Lansing Woman's Club is in our hands. We invite open minded and intellectually curious women to join us in our commitment to life-long learning. Keeping pace with our multicultural world compels us to intentionally include women who reflect the diverse community in which we live."

## Club Business

- "Barb Roth's paper on the The Scottish Highlands: Historic, Mystical and Enticing, brought the Highlands of Scotland to life as Barb drew on her personal experience and research in so many aspects of the region. Few of us realized the impact it has had worldwide and throughout history. Thanks, Barb, for a great paper." A quote from Jannel Glennie
- If you have not received an LWC Sesquicentennial bookmark, you may find extras available on the tables by the front and back clubhouse doors. Not only is this a bookmark, but it has a listing of all important event dates during the year.
- Please note the attachment from History Hounds February programs. This is a program that our members may access for free as part of our Michigan Milestone Award benefits.
- If you know of a member that needs encouragement through a card, please let Barb Roth know and a card will be sent.

Lansing Woman's Club
Lifting our Skyline

2 cups heavy cream 1 cup half-and-half
2/3 cup mild honey
2 tablespoons dried edible lavender flowers*
2 large eggs

$1 / 8$ teaspoon salt
Special equipment: a candy or instant-read thermometer; an ice cream maker

Bring cream, half-and-half, honey, and lavender just to a boil in a 2-quart heavy saucepan over moderate heat, stirring occasionally, then remove pan from heat. Let steep, covered, 30 minutes.

Pour cream mixture through a fine-mesh sieve into a bowl and discard lavender. Return mixture to cleaned saucepan and heat over moderate heat until hot.

Whisk together eggs and salt in a large bowl, then add 1 cup hot cream mixture in a slow stream, whisking. Pour into remaining hot cream mixture in saucepan and cook over moderately low heat, stirring constantly with a wooden spoon, until thick enough to coat back of spoon and registers 170 to $175^{\circ} \mathrm{F}$ on thermometer, about 5 minutes (do not let boil).

Pour custard through sieve into cleaned bowl and cool completely, stirring occasionally. Chill, covered, until cold, at least 3 hours.

Freeze custard in ice cream maker. Transfer ice cream to an airtight container and put in freezer to harden.

Happy Birthday to those LWC women celebrating this week. Double click on the picture for your special song.
