Legacy With Color

Dear LWC Members,

We continue to celebrate Legacy With Color through the color green. In Literature, green symbolizes nature and relaxation but it can also be used to symbolize guilt. In *The Lord of the Flies*, green is used to represent innocence and immaturity. The children on the island are innocent, and surrounded by nature. In *The Great Gatsby* written by F. Scott Fitzgerald, green is first symbolically welcoming and hopeful to Gatsby: A green light at the end of Daisy's dock makes him dream of a life with her. [Click here](#) to view the scene. But the color green quickly becomes poisonous. The face of George Wilson, who is jealous over his wife Myrtle's affair with Tom Buchanan, is described as green. "In the sunlight his face was green," writes Fitzgerald.

As Robert Frost once said, "Nature's first green is gold."

Club Purpose

"The purpose of the corporation shall be the study and improvement of its members in Literature, the Sciences, and Fine Arts."

Constitution Article III

"Securing the future of Lansing Woman's Club is in our hands. We invite open minded and intellectually curious women to join us in our commitment to life-long learning. Keeping pace with our multicultural world compels us to intentionally include women who reflect the diverse community in which we live."

Club Business

- Zoe Slagle has a new address- Provision Living, 6300 Abbot Rd, #203, East Lansing, MI 48823.
- Members from the Scott Club in South Haven will be visiting this Friday.
- On October 7, a charge of \$34.06 was made to the LWC charge card. It was an Amazon purchase. Karen Jurgensen is looking for the receipt. If you made this purchase, please contact Karen.
- The Tenney Room has a new, Persian style rug. It fits the room perfectly. A HUGE thank you to those LWC members who contributed toward the cost. And a HUGE thank you to Jane Bitsicas and Bernadette Bartlett for getting the rug from Kelly's Consignment to the LWC Clubhouse.
- And...another exciting purchase. The board approved an expenditure of the Technology Committee to purchase a new computer. Having two computers will lighten the load of the one we use now and also give many members peace of mind knowing that we now have a back up computer in place. The money for the purchase was included in the technology budget. No additional funds were needed for the purchase.
- S-U-C-C-E-S-S- That's how you spell the LWC field trip to Potter Park Zoo. Cathy Claypool gave us a mesmerizing history of the zoo. Cathy lived on Sunnyside in Lansing (just east of the zoo) when her children were little and found visiting the zoo a great way to spend family time. We had staff members talk to us about many of the facets of the zoo. "Lions, and tigers and bears, oh my." We had a roaring good time. Thank you to Jacqie Babcock, Sally Gray, Emily Kress and Dot VanLooy for providing snacks in animal motif gift bags. Thank you to the program committee members Peggy Riggs, Kathy Rodgers and Martha Shortlidge White for organizing this event. Susie Brewster wanted to share with you a "yesterday and today" picture of her at the zoo. The picture on the left is of Susie and her family a few years back (we won't tell you exactly how many). How adorable!

Lessons from Kermit:

Always be yourself. Never take yourself too seriously.

Take a look above you and discover the view. If you haven't noticed, please do, please do, please do.

Every journey begins with a single hop.
