

Lansing Woman's Club

Legacy With Color

Dear Members of LWC,

Can you feel the excitement building?

We are now 15 days away from the beginning of our 2023-2024 program year. By now you have received your program yearbook and have had a sneak peak on all the learning that will take place this year through paper presentations and events. We will gather together to celebrate our sesquicentennial in various ways. I know, I know- there is so much excitement headed our way it is hard to contain ourselves! Enjoy every minute of it!

SNACKS PROVIDED/ GIFTS FOR HELPERS

A **HUGE** thank you to Betty Moore and those of you who contributed to the new blinds in the front of the living room. Betty oversaw the fundraising, ordering and installation of the blinds. No more ratty blinds for LWC!

A **HUGE** thank you to Carol Brownell, Jannel Glennie and Sue Reid for their work in hiring a crew to have the Tenney Room ceiling repaired and painted after an air conditioner leak. Also, the back room has been painted and reroofed. The kitchen and bathroom have been painted a muted shade of sunshine yellow. When you see it, it will brighten your day!

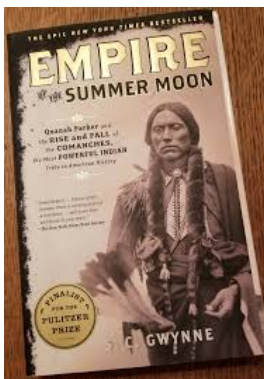

A **HUGE** thank you to Sue Patterson and Dottie Spousta for working with Pam Blair, our housekeeper, to have the clubhouse dusted a few times due to the drywall dust from the Tenney Room repair. They will also have the carpets cleaned in early October. I'm sure our carpet cleaners will sweep us off our feet!

A **HUGE** thank you to Penny Swartz and Mary Vargas for all the yard work that has been completed- many trees and bushes have been removed, new flowering shrubs have been planted and overall the front of the Clubhouse looks amazing!

A **HUGE** thank you to Jim Glennie and Gary Conklin, friends of LWC, who have sanded, caulked and painted the front entry of the Clubhouse. They volunteered every minute of their time. We sent them a gift certificate to Timber Ridge golf course where, if they are not working for us, they are spending their time.

A **HUGE** thank you to Marilyn Scheffel, Memorials Chair, on ordering *Empire of the Summer Moon* in memory of Marilyn Laughlin. Marilyn Scheffel ordered a special leather bound edition which will be presented to the Haslett Public Library where Marilyn Laughlin volunteered many hours of her time.

A **HUGE** thank you to those of you who have helped me get our year off to a rip-roaring start! Martha Shortlidge White and Peggy Riggs for mailing the yearbook in a timely fashion, Nina Silbergleit for making sure the recruiting trifold was updated in time for the mailing, Sally Gray and Emily Kress for putting the tea committee puzzle together, the Sesquicentennial Committee for having us ready and set to go with our celebration, Mary Kwas for constantly working to archive our history, Karen Jurgensen who kept her cool when MSUFCU told her our club account did not exist, retired members who have called to encourage me and to update me on their LWC friends, and to all of my other LWC friends who, without you, our club would not be the FANTASTIC club that it is! Cheers to you all!
