The mission of My Healing Within is to "advocate for and empower domestic violence survivors by providing free, safe, confidential shelter and support services. This program is for women and their children."

FOURTH OF JULY

Every Fourth of July, we take the time to celebrate the Declaration of Independence being passed by the Continental Congress on July 4 of 1776. The Declaration of Independence declared the separation of the 13 American colonies from Great Britain. Being a federal holiday since 1941, Americans use this time to be thankful for our freedom through celebrations with barbecues, fireworks, parades, concerts, and more.

WORLD DAY AGAINST TRAFFICKING IN PERSONS

On July 30th, we observe the World Day Against Trafficking in Persons. This special day is dedicated to bringing attention to the findings of the United Nations Office on Drugs and Crime (UNODC) and encourages governments, law enforcement, and other public services to enhance their efforts to prevent trafficking, assist victims, and put an end to impunity.

The Sustainable Development Goals (SDGs) created by the UN aim to fulfill the promise of "Leave no one behind" by providing support, identifying vulnerable groups, and ultimately eradicating human trafficking.
