Inner Structure of Tai Chi: Mastering the Classic Forms of Tai Chi, Chi Kung

by Mantak Chia - The Inner Structure of Tai Chi explores the deep, internal work necessary for the effective practice of tai chi. Designed for practitioners at every level, the book contains step-by-step illustrated instructions for mastering the 13 forms of early Yang-style tai chi, also known as Tai Chi Chi Kung. The authors demonstrate the relationship of the inner structure of tai chi to the absorption, transformation, and circulation of the three forces that animate all life--the Universal force, the Cosmic force, and the Earth force--revealing the principles and practices necessary to receive the full spectrum of physical, psychological, and spiritual benefits that tai chi can bring.

Tai Chi Classics by Waysun Liao - According to Master Liao, the great power of T'ai Chi cannot be realized without knowing its inner meaning. T'ai Chi Classics presents the inner meaning and techniques of T'ai Chi movements through translations of three core classics of T'ai Chi, often considered the "T'ai Chi Bible."

Cheng Tzu's 13 Treatises on Tai Chi Chuan by Cheng Man Ch'ing - In this erudite yet practical book Professor Cheng shares the secrets of his lineage and takes us to the heart of T'ai Chi Ch'uan, presenting it as a martial art a medicine, and a means of exercise and self-development. With examples from anatomy and physics, he demonstrates precisely how the postures and moves work, internally as energetic principles, and externally on opponents. Professor Cheng always emphasizes that disease (like an attack from an opponent) is an opportunity for training. The practitioner of T'ai Chi Ch'uan may serve as his (or her) own doctor and, likewise, as the physician (or trainer) of an attacker.

I have attempted to make this effort as complete as possible".

T'ai Chi Ch'uan: A Simplified Method of Calisthenics for Health & Self Defense by Chen Man Ching - This is the original classic about Short Form, the most popular and widespread form of T'ai Chi in the West. T'ai Chi Ch'uan is a must-read for every serious T'ai Chi student. This book is not meant to "teach" T'ai Chi Ch'uan, but meant to expound upon its meaning to the earnest practitioner; to offer the layperson a glimpse into this ancient art; and to communicate the author's unique perceptions and experiences that only a lifetime of practice can cultivate. Taken in this context, this is a most valuable book.

Master Cheng's New Method of Taichi Ch'uan Self-Cultivation by Chen Man Ching - Cheng Man-ch'ing, the famed master of t'ai chi, is regarded as an enormously influential figure in codifying the most widely practiced form of the ancient martial art. This volume, developed by the martial arts master and scholar, details the way that students arrive at a posture -- from beginning movements to the end pose. Master Cheng provides practitioners with a complete and concise guide to the Short Form, enabling them to make rapid progress.

The Essence of Tai Chi by Waysun Liao -The deepest benefits of T'ai Chi cannot be realized without an understanding of its underlying principles. This book presents these principles through translations of three core classics of T'ai Chi that are often considered the "T'ai Chi Bible," accompanied by the author's insightful commentary.

The Complete System of Self-Healing by Dr. Stephen T. Chang - This book was written only to introduce the Internal Exercise of Taoism as a gesture of goodwill.
