 Lisa is just amazing. We called her our marriage Mary Poppins. She is calm, organized, able to jump in and adjust small details at the last moment. For anyone getting married, TRUST LISA. No wedding goes off without a hitch but Lisa will make it feel like perfection regardless

WEDDING DAY MANAGEMENT

Most couples will look for a wedding coordinator and this package offers you that service, but in our vast experience no wedding can run to our high standards without the knowledge and pre planning required.

We assist in set up of decor and manage all on the day questions or issues from the venue or your vendors.
