clerk ([00:38](#)):

Judge Reyes' chambers, good afternoon.

robert malek ([00:40](#)):

Hey, good afternoon. This is Robert Malek calling. How are you? Good afternoon.

clerk ([00:44](#)):

Good afternoon, Mr. Malek.

robert malek ([00:48](#)):

I called to give the tracking number of the envelope that I sent the subpoena and the injunction in, that the problem is apparently there's a scan issue of the final delivery and they're doing a trace on it. So I'll know in two days. I don't know what else to do about that. The electronic filings that were-

clerk ([01:25](#)):

Mr Malek, do you have the certified mail number in front of you?

robert malek ([01:29](#)):

Sure.

clerk ([01:30](#)):

Is it 7-0-2-2-2-4-1-0-0-0-0-1-6-2-8-6-9-7-5-8?

robert malek ([01:42](#)):

Yes.

clerk ([01:44](#)):

It was received on December 19th, yesterday.

**IT WAS RECEIVED ON THE 15TH
EVIDENCE SHOWN ON WEBSITE**

robert malek ([01:50](#)):

Okay.

clerk ([01:52](#)):

It just has not been docketed yet.

robert malek ([01:57](#)):

Okay. I mailed it on December 14th. Apparently there was a delay and it was by priority mail as you know. So okay, that is good to hear. So I hope to see it docketed to the case and I'll be filing some more shortly. I don't know what happened with the electronic transmissions that I did. But the electronic transmissions didn't get on the case.

clerk ([02:30](#)):

You are filing a lot of documents and there is not one person working on your case to upload every single document that you are filing. So you have to be patient and give some time so we can catch up to what you are filing and calling us about to double-check, triple-check. So you are filing things with the Pro Se Department, you're sending things to the judges as well. So someone has to file all of those documents and it's not just one person handling your case. So you just got to give us a little time because when the mail comes into the building, it's a lot of mail that has to be sorted and then, placed in the correct mailbox. And once you send it to the judge, the judge then now have to send it downstairs to be docketed. So it's not overnight that things are going to be docketed and you're going to see them. It's not going to be overnight that we receive them in chambers as well to confirm that yes, we received it.

LIKE A WEEK TO TWO WEEKS OR MORE ?
OH MY GOD.
SOMEONE GET THE PARACHUTE

BUT IF YOU RECEIVE IT IN CHAMBERS ON THE 1ST OF THE MONTH AND SEND IT DOWNSTAIRS TO THE CLERKS ON THE 8TH... AND REPORT THAT IT WAS FILED ON THE 8TH, WE HAVE A BIG PROBELM !!!!

robert malek (03:43):

What about when the documents are filed electronically?

clerk (03:49):

When you referring to electronically, meaning the proseoffice.com website that you could file your stuff in? Is that what you're referring to?

robert malek (04:01):

I believe so. You upload the documents to the portal that you have for process.

clerk (04:05): **!!!!!!! WAIT A MINUTE. WHAT HAPPENED TO THE AROUND THE WORLD VENTURE FOR BRINGING IT TO THE CLERKS ?**

That is the same thing. When you are putting those documents there, someone has to retrieve them and docket it on your behalf. It's not you documenting the documents yourself. So yes, there's a group of people working on several cases and everyone who documents stuff in that portal has to be uploaded onto the docket sheet. It's not only your own personal ID...

THIS DOES NOT CHANGE THE FACT THAT THE FILED DATE HAS TO BE CORRECT IN THE RECORDS AS OPPOSED TO THE ENTRY DATE AND HAS NO RELEVANCE TO THE FACT THAT ELECTRONIC AND PHYSICAL DOCUMENTS HAVE DISAPPEARED.

robert malek (04:36):

I see.

clerk (04:38):

That has the access to that box.

robert malek (04:44):

Well, this subpoena in this injunction, this was uploaded quite a long time ago.

clerk (04:59):

Okay. So the judge has not made a decision?

robert malek (05:05):

No.

PLAYS DUMB. NOW, IF IN FACT THE LETTERS I WRITE TO THE JUDGE IN CHAMBERS ARE NOT BEING INTERCEPTED BY THE CLERKS, WHY DOES SHE HAVE NO IDEA WHAT IS GOING ON WITH THIS ? BUT SHE IS SUPPOSEDLY MAKING CALLS TO THE CLERKS REGARDING THESE ISSUES, ISNT SHE ???!

clerk (05:05):

Or you have to be patient and wait for that.

robert malek (05:06):

No, this has nothing to do with judge's decision. It has to do with they were uploaded to the portal quite a long time ago I think. Approximately, what? 10...

clerk (05:15):

Are you saying...

robert malek (05:15):

Almost 10 days ago?

clerk (05:16):

You're not seeing them on the docket. They're not on the docket, is that what you're saying?

robert malek (05:20):

Absolutely.

clerk (05:22):

Then you can call the Pro Se Department at 718-613-2665 and ask them if they received it. Because I don't have access to view those documents that are there.

YES SHE DOES. SHE IS TRYING TO SAY THAT SHE DOESNT HAVE ACCESS TO PACER WHICH IS TOTAL B.S.

robert malek (05:40):

Well, I really don't when, there's a filing on the 5416 case. Where it says filed on the 19th when actually, it was filed on the 11th.

clerk (06:00):

AH HA. SO SHE DOES KNOW WHAT IS GOING ON!

I spoke with the case administrator manager a few minutes ago. Tiffany Lee and I brought it to her attention that your documents that were filed in your case in 226775 document number 24, has the stamp file date of December 11th. But it's appearing December 15 on the docket and it's going to be collected and it's the same thing in your other case. I noticed that there were several documents that you submitted, had a different filing date in your case 22CV5416.

robert malek (06:52):

Yes.

clerk (06:53):

Documents number... Just one second. We have several documents that are on there.

robert malek (07:13):

Well, we have there a recent one where it says filed on the 19th when actually it was filed on the 11th.

clerk (07:24):

So in case number 22CV5416, documents 187, 189, 190, 191, 196. I reported them that the dates need to be collected. So I spoke with the case administrative manager Tiffany Lee, she's working on that now
CORRECTED

to make the correction. And I asked that going forward, that the dates that are stamped filed are reflected. That's because the documents are being received one day and they're being docketed another date and the person is not changing the file date. But it's going to be corrected and as soon as it's corrected, I'm going to make a copy of the docket sheet and send it to you.

robert malek (08:19):

Well, what I'd like to ask you about is that there's all these documents here. I mean, there was a document that I filed and the next day it ends up on the 6775. There are many documents here that have been filed. Whereas the two documents, the subpoena and the preliminary injunction that I sent the hard copy by mail because I haven't seen it on the case in a long time. When I have last checked last night, they still were not on the case. And I sent you guys the proof of the electronic transmission of that.

clerk (08:54):

Okay. Like I mentioned, those documents, I can't see the portal that you said you found them in. You have to call the Pro Se Department directly, who will have access to that portal if you file it there and they will be able to better assist you. In these chambers ...

robert malek (09:14):

However...

clerk (09:15):

I only can see what's under the docket just like what you're seeing. **AH. HA. SO SHE CAN SEE WHAT IS IN FACT ON THE DOCKET LIKE I CAN.**

robert malek (09:19):

Okay. All right. But I did show you that it was... I showed you the electronic transmission from what I provided from my computer that I transmitted it. So at this point, you think I should speak with that department? Is there like a manager there? I mean, this situation is rather odd. It seems like you spoke with a manager. Should I speak with a manager there about this? You think?

clerk (09:48): **SHE IS TRYING TO CHANGE THE SUBJECT FROM DELETION AND DESTRUCTION OF DOCUMENTS TO A FILING DATE ISSUE**

I already explained to you that the file date situation is going to be corrected. But as far as other documents that you are speaking about, that is not on the docket. Now that I can't see and you can't see, you'd have to contact the Pro Se Department. They have access to see what's in the proseofficebox.com portal.

robert malek (10:17):

Okay. Well, at least I'm making clear to you though I alerted the judge that I did file those documents and I show the proof of my electronic transmission and it's still not on the case. Which is not good and I don't know why this is happening and I'll try and speak with them as to why this would be happening. It is somewhat disturbing to me as to why that would occur.

clerk (10:44):

No problem. You're more than welcome to give them a call and speak to them about the documents that are not posted on the docket.

robert malek ([10:54](#)):

What is their phone number?

clerk ([10:57](#)):

718-613-2665, the Pro Se Office.

robert malek ([11:08](#)):

Okay.

clerk ([11:10](#)): **AH HA !!! SO SINCE SHE SPOKE WITH THEM AND RECEIVED THIS FALSE INFORMATION WHY DIDNT SHE INQUIRE ABOUT THE MISSING DOCUMENTS WHEN I WROTE THE JUDGE ABOUT IT ?**

And I'm aware that you've spoken to them several times as well. But you can call them and see where the documents are, if they can assist you.

robert malek ([11:18](#)):

Oh, who told you that? **SHE HAS NO ANSWER FOR THIS. SINCE I DIDNT CALL THE PRO SE OFFICE.**

clerk ([11:22](#)):

We all are aware that you've called several times, you've left messages. We all are on your case with all the filings that you've been filing and piecing together all the documents that you've been filing with the court.

PIECING TOGETHER DOCUMENTS ??? YOU MEAN THAT I SENT A QUARTER OF A DOCUMENT HERE AND A QUARTER THERE ? THIS IS INSANE AND IS WHAT IS CAST UPON PRO SE LITIGANTS AS IF WE ARE ALL IDIOTS.

robert malek ([11:36](#)):

Well, that's actually not true. I have not called the 613-2665 number. So I don't know.

clerk ([11:45](#)):

You have not called the Pro Se Office?

robert malek ([11:48](#)):

Right. That's correct.

clerk ([11:49](#)):

Okay.

robert malek ([11:50](#)):

So I don't know who told you that. It sounds to me, they told you that I've been calling them.

clerk ([11:56](#)):

You may have called them through a different number but you have called the Pro Se Department.

robert malek ([12:04](#)):

Okay. I've been calling a chambers here and not the Pro Se Department. And I just find it to be somewhat strange that if I ask you well, so how do you know that? That's what told you?

SHE CANT TELL ME WHO I SPOKE WITH

clerk (12:18):

Because I called the same number the Pro Se Department.

robert malek (12:22):

And they told you Mr. Malek's calling here?

clerk (12:26):

The same documents that you filed here with the court with judge and the documents that you filed downstairs. We make sure that they're not duplicate documents so that they're not duplicated on the docket. So that is how I know you've communicated with them, because you also called them to confirm about certain documents just like you're doing now.

robert malek (12:53):

Really? Actually, I have not and...

OH I SEE. SO WAIT A MINUTE. IF I FILED THE SAME DOCUMENTS IN BOTH PLACES WHICH IS BECAUSE THE ELECTRONIC WAS DELETED, WHY AREN'T THESE DOCUMENTS UPON PACER AND WHY IS ONE STILL MISSING ? IN OTHER WORDS, IF THERE IS THIS DUPLICATE ISSUE AS SHE CLAIMS THEN WHY HAVE THE ELECTRONIC TRANSMISSIONS BEEN DELETED PERMANENTLY. ? SO THIS CORRUPT CLERK IS MAKING THE DETERMINATION THAT I COMMUNICATED WITH THE PRO SE DEPARTMENT OTHERWISE THERE WOULD HAVE BEEN DUPLICATE DOCUMENTS WHEN IN FACT THE ELECTRONIC TRANSMISSIONS OF THE 9TH AND THE 11TH WERE NEVER REFLECTED ON PACER AND THE SUBPOENA IS STILL MISSING AS OF 1/7/2023 !!!

clerk (12:58):

Okay.

robert malek (12:58):

It's like once again, my communication has been only with chambers because I'm aware that the clerks are taking part in conduct that is criminal and this has happened before in Southern District. This has happened to other Pro Ses and I haven't taken this to those at the Pro Se Department. I've taken it right to the judge.

clerk (13:26):

Okay. So know that all communications with the judge, he cannot act on anything that's not on the docket to give both judges in the case and to be able to view what they're ruling on. And the magistrate judge has limited authority to make any rulings on other documents that you are filing. The district judge will have to oversee or refer certain things through the magistrate judge.

robert malek (13:54):

Is there...

clerk (13:55):

So you continually call us every time you file something, we can only confirm what we see and that's it. But nothing else is going to occur.

WOW. I CALL CHAMBERS EVERY TIME I FILE SOMETHING. HMM. MAYBE THIS CORRUPT CLERK WOULD LIKE TO PROVIDE THE EVIDENCE OF ALL THESE CALLS...

IF IT ISN'T THERE, TOO BAD FOR YOU. NOT ONLY WILL THE JUDGE NOT DO ANYTHING ABOUT IT, BUT NEITHER WILL I.

robert malek (14:10):

Well, that's quite upsetting when you say I continue to call, we have over here a situation that's a very disturbing situation.

clerk (14:19):

I WONT SAY THAT MISSING DOCUMENTS AND FALSE RECORDING IS WRONG OR IMPORTANT

I'm not saying nothing about your situation, whether it's right, whether it's wrong, whether it is important, whether it's not important. We've received all of your messages and picked up all your calls.

SO IN OTHER WORDS, THE JUDGE CANT DO ANYTHING ABOUT WHAT IS NOT ON THE DOCKET AND IF THE CLERKS DONT PUT IT THERE THEN YOU HAVE NO JUDGE TO CONTACT AS TO THE ISSUE. THE CLERKS RUN THE SHOW

robert malek (14:38):

And the fact is that there are still two documents that are missing from people that are claiming that I've been calling them and you saying I'm calling you. It's true, I call chambers. But I have not been calling them and they're saying that I did call them. Maybe they should tell you what they told me as to where my documents are. But apparently, they didn't tell you anything.

clerk (14:59):

No. They don't need to tell me anything about your documents because I didn't inquire about your documents.

**ALL THE B.S. FROM JUDGE REYES CLERK
ROLLED INTO ONE STATEMENT.**

robert malek (15:08):

Well, why not? If they're missing all this time. What's going on?

clerk (15:08): **NOW SHE DOESNT KNOW WHAT IS GOING ON EVEN THOUGH I WROTE LETTERS TO CHAMBERS ABOUT WHAT IS GOING ON AND SHE IS CALLING THE PRO SE CLERKS. EVEN THOUGH I SENT WHAT IS MISSING !!!!**

I don't know what's missing from your case. You told me you filed things in the proseofficeviabox.com portal and I directed you to the Pro Se Office, 718-613-2665. And they'll be better to assist you to tell you if there's anything pending in that portal that you filed, that has not been docketed on the docket. Those chambers only could see on the docket, nothing else.

**BUT THEN THE JUDGE WRITES THE ORDER THAT NOTHING IS IN THEIR BOX.
MEANWHILE, THE SUBPOENA IS NOT FOUND AND THEY DID NOT LOOK FOR IT EITHER**

robert malek (15:42):

Well, I'm going to speak with them and try and figure out what has happened to those documents.

clerk (15:50):

Not a problem.

robert malek (15:51):

And then, I'll go from there. 718-613-2665.

clerk (15:56):

Yes. 2665.

robert malek (15:58):

Okay. Very good. All right.

clerk (16:00):

Okay.

robert malek (16:00):

Thank you.

clerk (16:00):

Have a good day.

robert malek ([16:00](#)):

Okay.

Yes. Hi, this is Robert Malek calling, case number 22CV5416 and 22CV6775 and others. We have the situation of there being two electronic transmissions of approximately 10 days ago. One is a subpoena, one is a preliminary injunction that have not been placed onto the case as of yet. And I'd like to know why that is happening. I also understand speaking with chambers that apparently someone there has informed chambers that I've been calling you guys. I have not.

([22:02](#)):

I'd like to know who was telling chambers of Judge Reyes, that I'm calling you if I'm not calling you. Who did I speak to over in the Pro Se Department regarding filings that have disappeared? I'd like to know. Can you please email me at abc75abc@gmail.com as to what's happening with the two missing filings, as well as who your department is claiming that I spoke with in your discussions with chambers when I haven't spoken with anybody from your department. Can you please put this in writing and email it to me at abc75abc@gmail.com. Thank you.

Yes. Hi, this is Robert Malek, calling again. May I have on case number 22CV5416. 12112022 was the subpoena and 129 was preliminary injunction that was uploaded to your Pro Se portal. Many other filings have been uploaded. Why are those filings not uploaded? You have 1211 and 129. Subpoena is 1211 and 129 is a preliminary injunction and the defendant's filings are getting up there. Why does it happen on the 22CV6775. I put forth a letter and boom, it shows up there within a day. But for some

reason, my filings on the 5416 case are being needlessly delayed. I've had a problem before where it went on what? Two weeks or something and I'm not seeing a filing on the case.

(23:06):

Why am my filings being needlessly delayed to the point of them being deleted or withheld from your department? Where is the 1211 and the 129 upload filing that's electronic? And then, I sent to you guys, which apparently, she's saying got there today, which was a priority mail letter with these documents. Is that finally going up on the case? And in addition, like I had said is that for some reason chambers was told that I'm calling you guys all the time as well. Who have I spoken to over there? Nobody. So I have not called you guys. I was the one that was calling chambers and not calling you guys before. So can a supervisor email me back and put this in writing as to what's going on? abc75abc@gmail.com. Thank you. Bye.
