...with  
sincere  
appreciation.

Robert M. Welch

acscomplaints.com

Dear Clerks,

Thank You so much  
for all your kindness, competence  
and integrity you have displayed  
for all my 4 federal court filings.

While court corruption,  
political favor + fraud is rampant,  
all of you women display + represent  
none of it.

God Bless your character  
and morals + I wish the best for  
you all...

Best Regards
