Redflag, Greenflag: A "This or That" Compatibility Game

How to Play:

- Circle Your Preferences on the List Below (No Switching)
- Pair Up with Someone and Go Through the List of Prompts.
- For Each Prompt, See Which Questions You Match
- Keep Track of Your Match Partners Name and Your Compatibility Score on the Back

Scoring:

- If You Match, It's a **Greenflag**  worth 2 points.
- If You Choose Opposites, It's a **Redflag** , a deduction of 1 point.
- Your Compatibility Score is Double (2X) the Number of GreenFlags, Minus (-) the Number of RedFlags, For example 15 Greenflags, 5 Redflags scores 25. (15x2-5=25)
- After Rotating Through Multiple Partners, Circle Your Highest Compatibility Score
- Tally All Your Compatibility Scores and Add Them Together for A Total Score

Prizes Will Be Given To:

Most Compatible Pair: Either the closest to 20, or people with most 40/40 Compatibility Scores

Least Compatible Pair: Either the closest to -20, or people with the most -20 Compatibility Scores

Most Popular: Highest Total Points
