After a discussion with the public on road signage and repairing Winterton road it was explained that the paving of Winterton road and the signage would be addressed in early spring.

## Mayor's report:

- Mayor Wood provided a report regarding the Village sewer plant.
  - Sewer violations are provided to the village on December 13<sup>th</sup>. Problems were discussed between Mayor Wood and the DEC.
  - One piece of the filter system is offline. Scheduled to be repaired on March 21, 2024, causing the daily alerts.
  - Other miscommunication between the village and the operators (H2O) has been resolved.
    - The Sewer plant is being checked more frequently by Village officials for better communication with the plant.
    - Two out of Three SBR or repaired and up and running
    - The bar screen has been repaired. Rack type of system to clean out sludge and rags.
    - Online since February 9<sup>th</sup>, 2024
    - Factory rep coming to inspect the sewer plant March 12, 2024
    - On March 21, 2024, a company will be repairing the last of our filter system.
  
- Approval of February 2024 Bills
  - Samual Motion
  - Chiam 2<sup>nd</sup>
  - All in favor Aye.
  
- Public Discussion
- Questions on paving of Winterton Road
  - Plans to repair the road are for mid-April when asphalt plants reopen

- Road repair along with signs put in place from Post Office to President Way.
- Question on the size of Sewer Plant handling the amount of citizens
  - The Sewer plant is designed for 325,000 gallons a day. Approved by the DEC.
- January DMR (Discharge monitoring report) average flow was 44,200 gallons per day.
  - Problems at sewer plant are not from usage, it was a Maintenance and communication issue that has been resolved.
- Question on educating the residents on the disposable towel problem.
  - Warnings are posted on the Bloomingburg Platform and signage posted at the village hall.
- Quality of water flowing into the Shawangunk Kill
  - The Village meets the requirements of the Speedys Permit monthly. This is the parameter the DEC puts out that we must meet.
    - Series of test run daily
      - Monitor Computers
      - Monitor the flow
      - Clean bar screen
      - General house keeping
      - Ect.
- The village has taken the sewer plant issue seriously. Making sure of the quality of water and the operations of the plant.
