Original Tremble Clefs in Concert - Terraces, Phoenix, Jan. 22, 2026

Tremble Clefs singing National Anthem, Sun Joo Lee directing, Chase Field, Phoenix, July 19, 2019

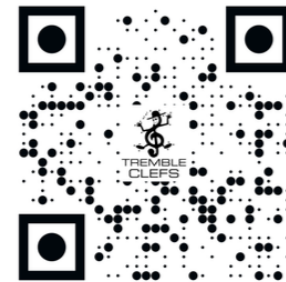

We provide music therapy for people with Parkinson's disease in a supportive environment.

Tremble Clefs was founded in Scottsdale in 1994. In 2018, two groups, one meeting in Scottsdale and one meeting in Sun City, combined, incorporated and were awarded non-profit status by the IRS. Managed by a Board of Directors, our charity depends upon donations and volunteers. The Music Director of Tremble Clefs Arizona (TCAZ) is Sun Joo Lee, PhD, MT-BC. We employ staff - music directors and accompanists - to deliver our program. If you have Parkinson's, we invite you to check us out. We welcome new members.
