

JCAT Photography & Video Consent Form - 2026

JCAT Swim

JCAT may take photographs or video of swimmers under age 18 during membership and team activities. JCAT requires parent/legal guardian consent for JCAT's applicable use and publication of photographs and video. Parents/legal guardians may refuse consent without limiting or denying the athlete's participation in JCAT or USA Swimming activities.

Please mark one choice for each category. Consent may be changed or withdrawn in writing at any time. Meet hosts or other organizations may have separate photography or livestreaming rules that are outside JCAT's control.
