Indoor Pickleball Opportunities

The high temperature season is upon us. Luckily, we have quite a few options for indoor pickleball! All of these options offer climate-controlled spaces, hard surface courts, and the ability to reserve courts. You can choose to pay and play or go with a membership option. Memberships typically provide benefits like lower overall cost per hour, advance booking, unlimited play, discounts on events and clinics, leagues, tournaments, DUPR events, guest passes, reciprocal privileges and even lockers.
