

CMPC Court Etiquette Open Play

August 01, 2020

1. Introduce yourself to your opponent, if unknown.
2. Call the score loudly, pause, serve the ball.
3. Applaud good play to your partner and opponents.
4. After your game, if others are waiting to play:
 - a) four players waiting, all four leave the court,
 - b) only two waiting, winners stay for one more game and two come on
5. Courts may not be 'held' by a group for rotation only within those players. Any player wishing to play on a court must be permitted to play.
6. Use north or south gates to move on and off the courts. Please do not use the gates in between the court unless all play is stopped for timed Round Robin play.
7. Wait until play has been completed before entering the court.
