## 2nd Annual “Battle for the Paddle” Event

The day will begin with the Estrella Foothills High School Marching Band playing the National Anthem at 8:45am.

There will be complimentary coffee and bagels next to the registration table.

\$10 lunch includes a beef burger, bag of chips and a bottle of water. The Artisan Club’s grill will be relocated this year to be closer to the action with a larger grill to allow hungry folks to be fed much quicker. (see attached form to pre-order lunch).

*Bring cash and checks to purchase and enjoy some of the 40 items with a total value about \$7,000:*

- ◆ Bake sale by the CantaMia Cooking Club
- ◆ Several Silent Auction items – TV, yard art, beautiful handmade glass art piece from the CantaMia Art Studio, numerous themed gift baskets (wine, car care, bowling, restaurant gift cards), quilts from CantaMia sewing club
- ◆ Photo booth
- ◆ Raffle for 2 Wolfe Gourmet appliances (\$10 for 1 ticket, \$15 for 2 tickets)

Countertop Oven with Convection  
Suggested Retail \$949

Multi-Function Cooker  
Suggested Retail \$879

In addition to CantaMia community items, the Firefighters will have a booth where they will be selling t-shirts made just for this event! The shirts are designed by a Goodyear Firefighter.

Interested in playing pickleball with a firefighter? Today is the day! Residents can register no later than Monday, February 13th (see attached form to play). It will be a fun pickleball tournament between CantaMia and the Goodyear Firefighters!

We are lucky to have Gizmo attending again this year. Gizmo will be playing with the Goodyear Firefighters as a former firefighter. He will also be teaching pre-registered clinics at CantaMia and talking to students at Agua Fria High School in Avondale. Part of his mission of giving back is telling kids his story and demonstrating play with school aged children.

**All of this fun is to raise money for the Goodyear Firefighters Charities. They do so much for us here at CantaMia (even getting rid of those rattlesnakes). Last year CantaMia raised a highly impressive \$11,700!! ...let's see if we can raise that benchmark!**

Unable to attend but would like to support the charities? Open your cell phone camera over this QR code image and tap your phone to be taken to the charity website. Any size donations are appreciated!
