A Note From Ms Kim

I can't believe 4 years have gone by in the blink of an eye. This year has filled my heart with so many happy memories and so much pride as I watch our dancers grow. Whether your dancer is at the studio once a week, or eats dinner there almost every night, I look forward to seeing their smiles each week. I want to thank all of our dance families for your support. My staff and I truly love what we do and feel so blessed to get to share the joy of dance with your children.

I want to thank each of my teachers who make TDK the most special place to dance. We are so lucky to have you. Maria and Page, you have done an amazing job keeping everything rolling up front. Garrett, thank you for your unending love & for being our number 1 Wingman & the mastermind helping visions come to life. We couldn't make the magic we do without you.

Paul, Kaden & Kinley,

Thank you for being my biggest supporters and being by my side through the ups & downs of business ownership. I love you more than words & am so grateful & proud of us.

I hope everyone enjoys the show!

Ms Kim
