

James L. Hamner Public Library
Executive Committee Meeting
Tuesday, November 9, 2021

The meeting began at 4:36 with the following members present: Jill Hames, Carol Hix, Karen Freas, Jennifer Jones, and Gail Geraghty. Jill said she called this meeting to discuss the possible need to submit a CIP plan request to the county this year. The deadline is November 30. She said we have three options: 1. We can drop it for now. 2. We can look into doing a smaller renovation and make do with that. 3. We can look for another property that could be made to fit our needs.

Discussion was made about the option to secure a property near the 360/Business 360 corridor. Jennifer and Carol said there may be a few properties in that vicinity that may meet our criteria, but no one is sure about the availability. Jennifer said she would speak with the county this week about steps we can begin to take. More discussion will take place at our next board meeting.

The new community engagement librarian, Bailey Hughes, was introduced by Jill. She began last week and comes to us from South Carolina.

Our next full board meeting will be held next Tuesday, Nov. 16 at 7:00 p.m.
